WE ARE BROTHER RICE

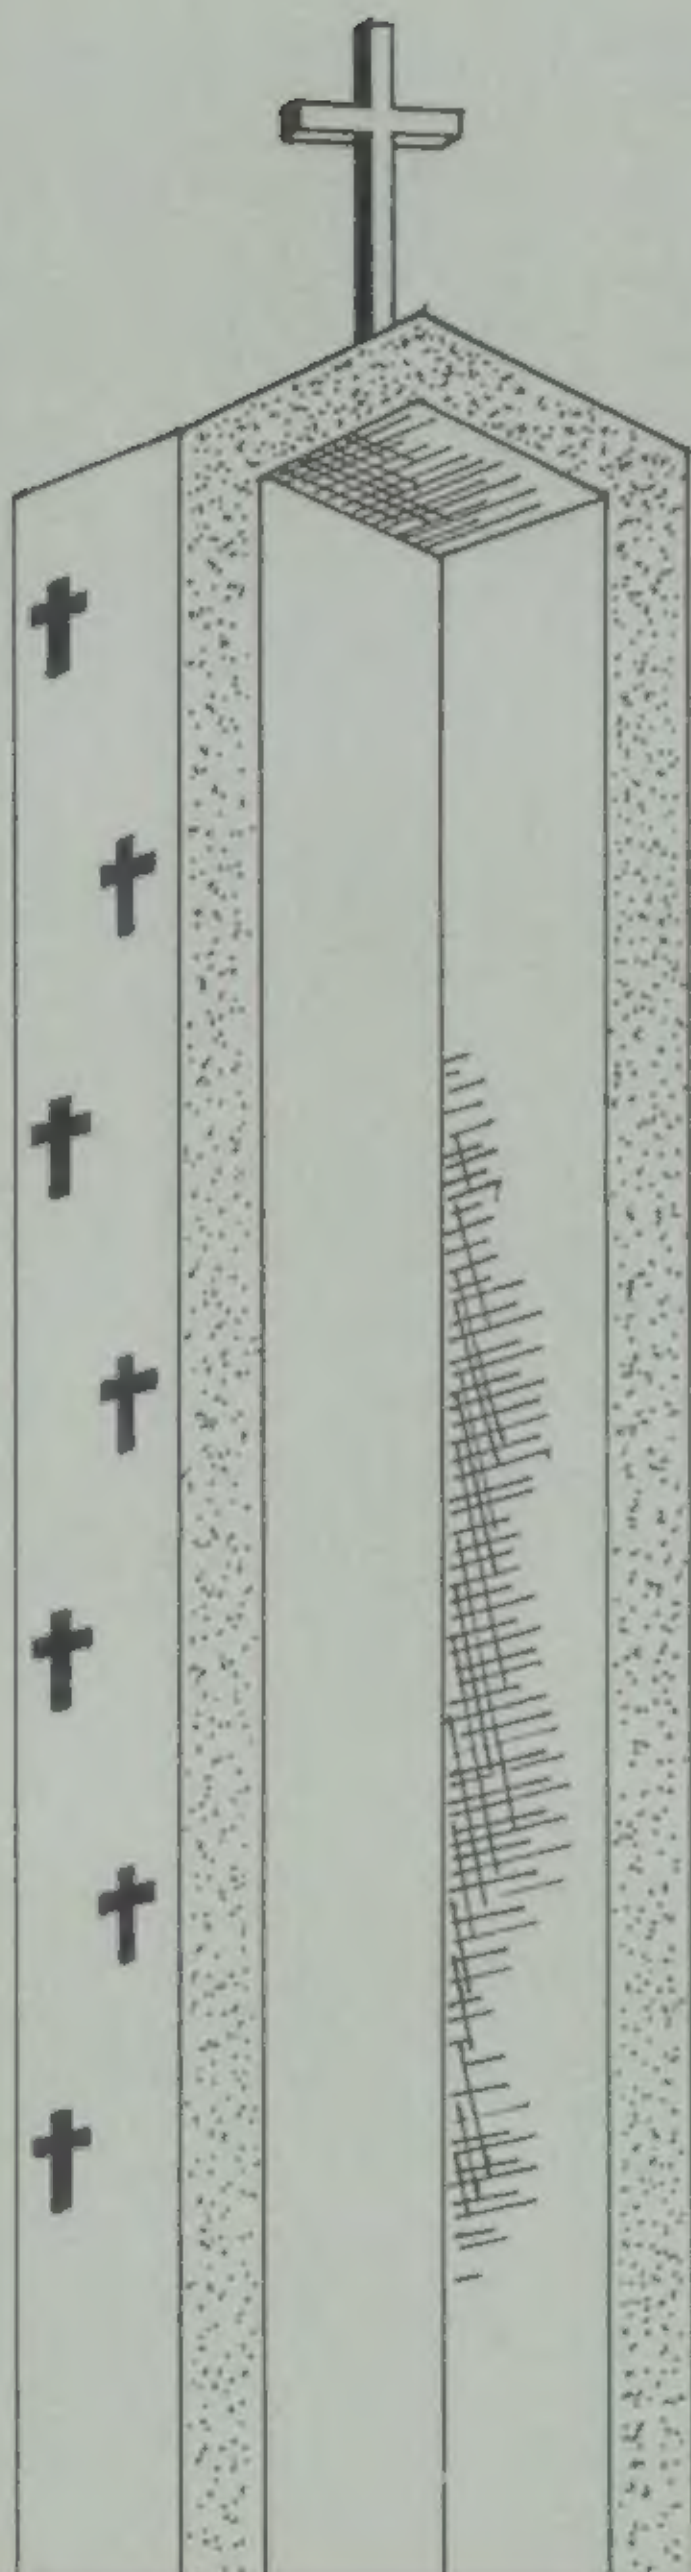

Brother Rice High School has been devoted to excellence for the past 26 years. Every function that a member of the Brother Rice community performs is a statement of this excellence. The 25th anniversary of the founding of Brother Rice brought about an awareness of our heritage and the ideals to which our founders aspired. Because of this awareness, an invigorating spirit of school pride and unity punctuated the '85-'86 school year. This pride is best expressed in the favorite cheer at sporting events, "We are Brother Rice."

WE ARE BROTHER RICE

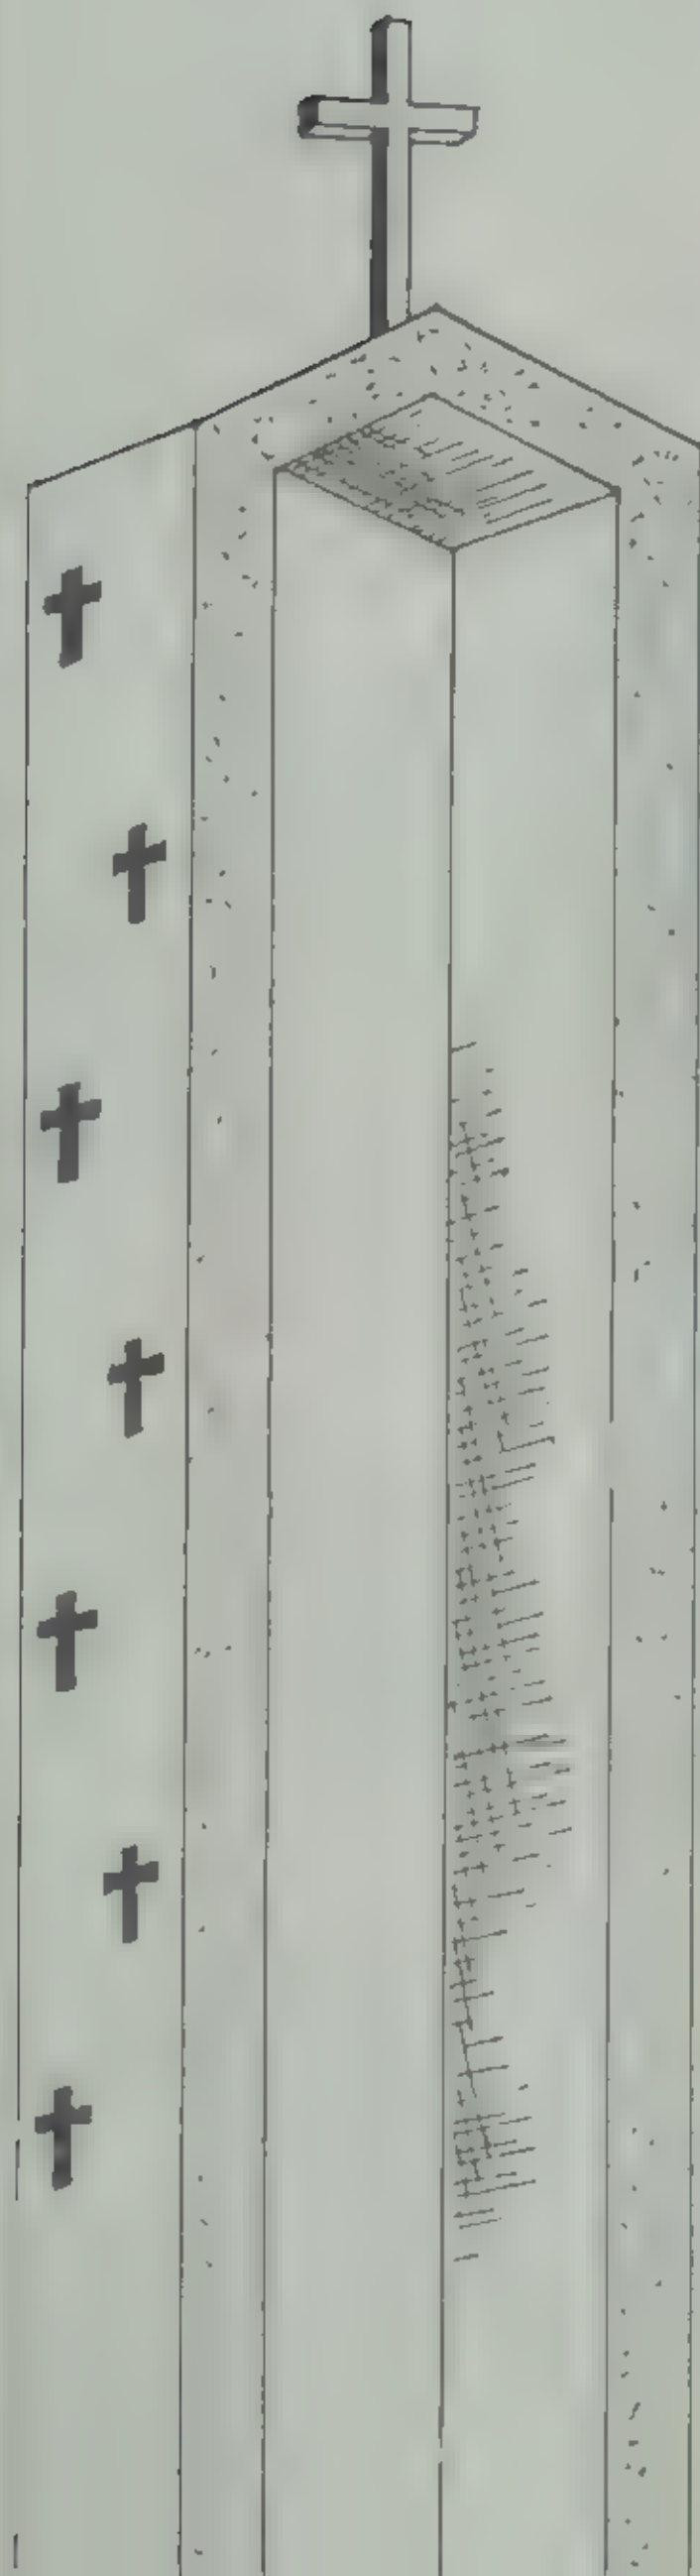

"We are Brother Rice" has a very rich meaning. It is a cheer that tells opposing schools that we are proud of our team, but there is much more meaning in it than that. It means that we are proud of all aspects of the school, such as its curriculum, its community of faith, its role in society, along with its excellence in athletics. In essence, "We are Brother Rice" is a phrase that resounds with that pride we feel in being a part of Brother Rice.

WE ARE BROTHER RICE

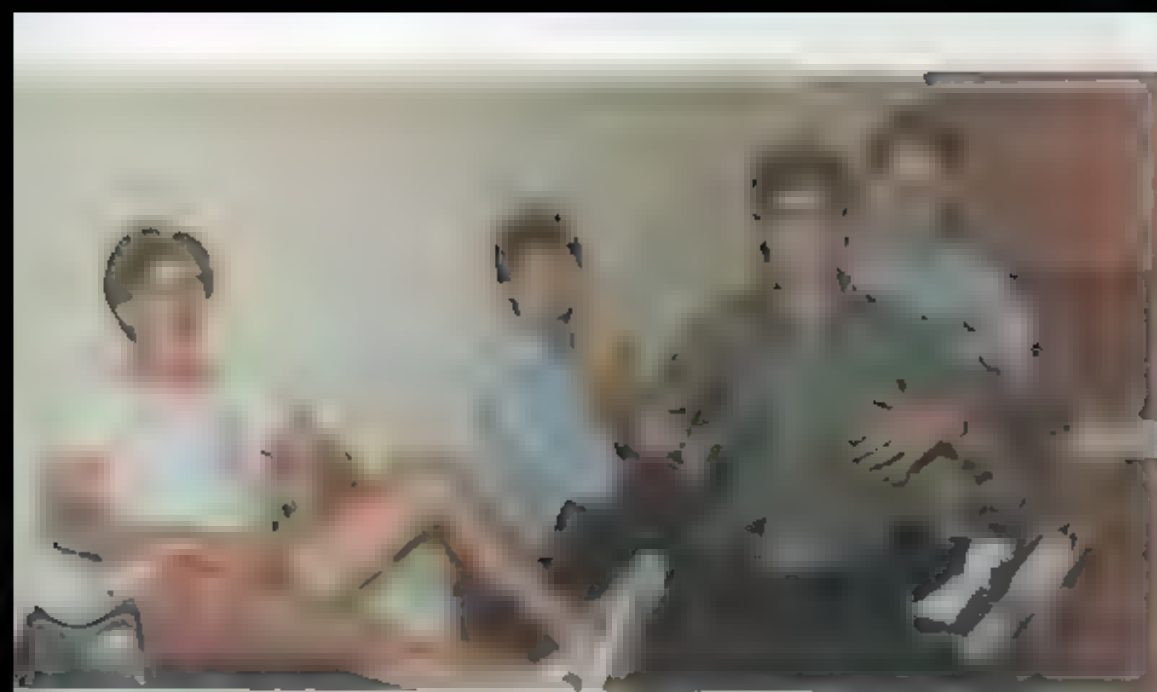

Brother Rice High School is entering its 26th year of existence. Rice enjoys a national reputation because its academic and athletic programs are superb. There is no other school like it in the state of Michigan.

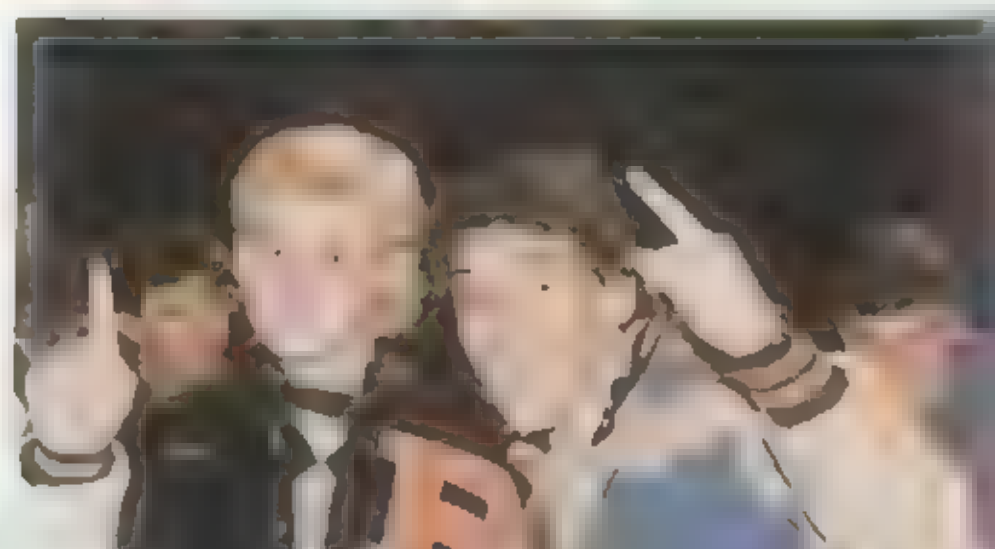

The Rice community is composed of students, Christian Brothers, faculty, and parents, all of whom play an important part in the students' growth as individuals.

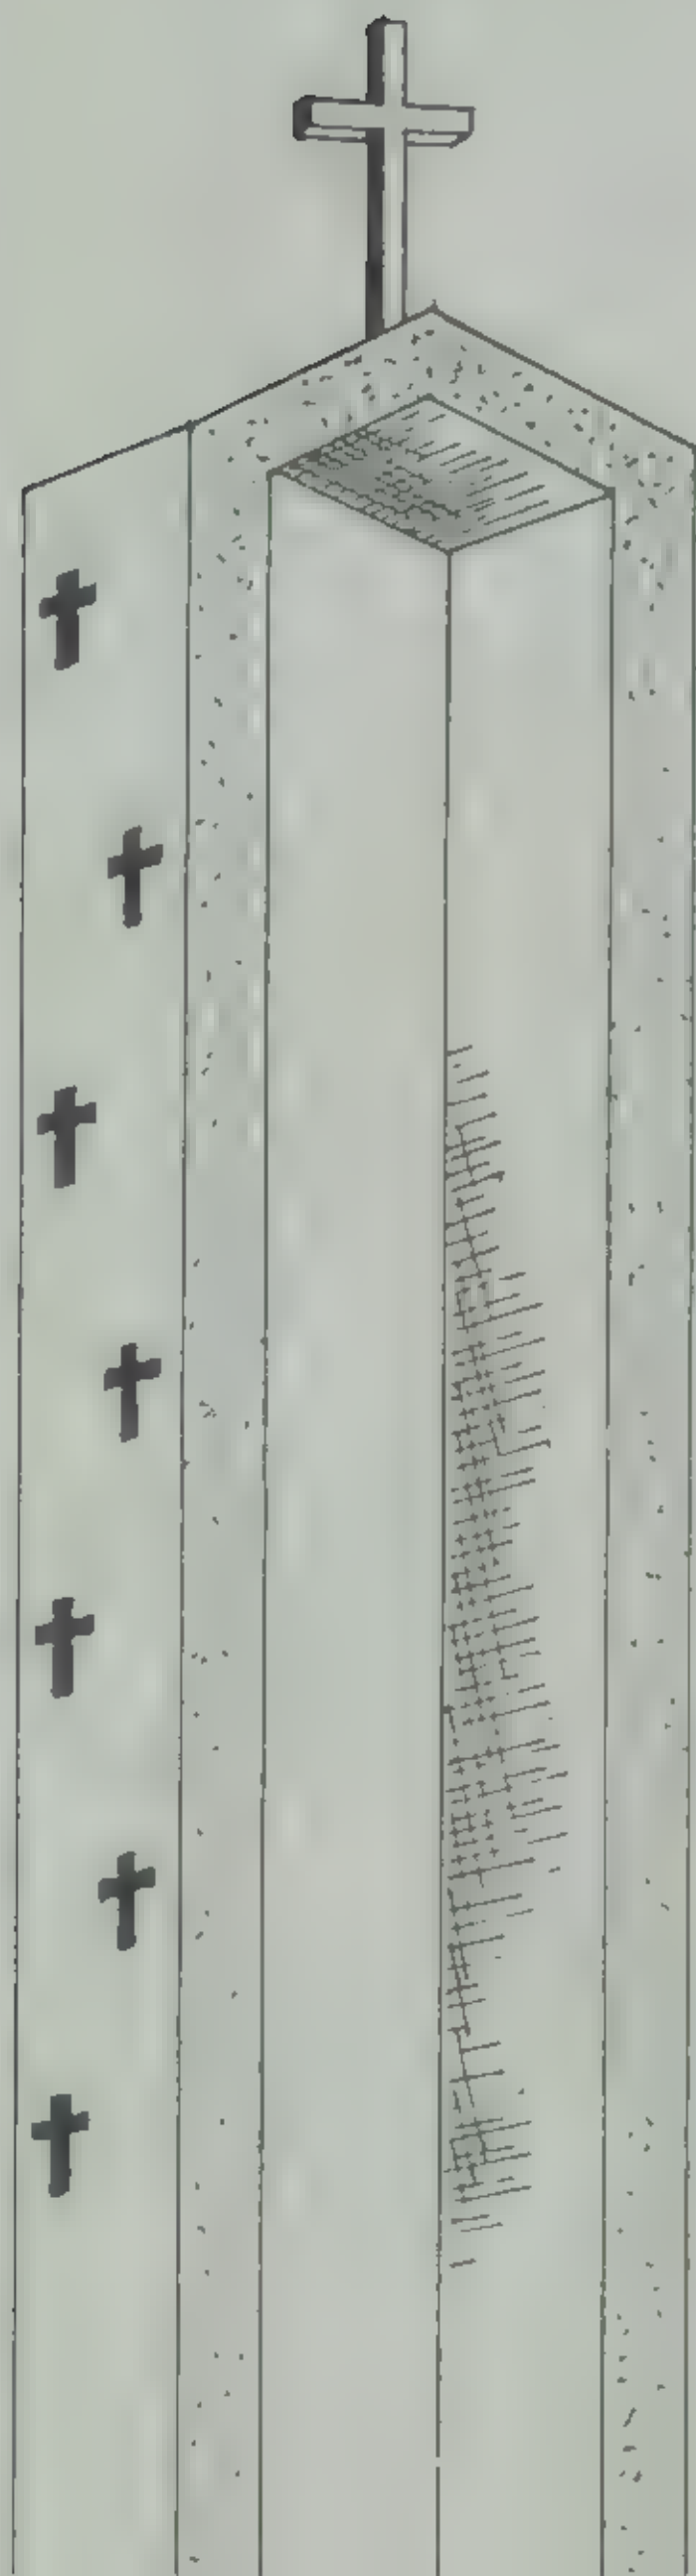

We at Rice have an inner strength of pride and dignity which shows in everything we do. . . . WE ARE BROTHER

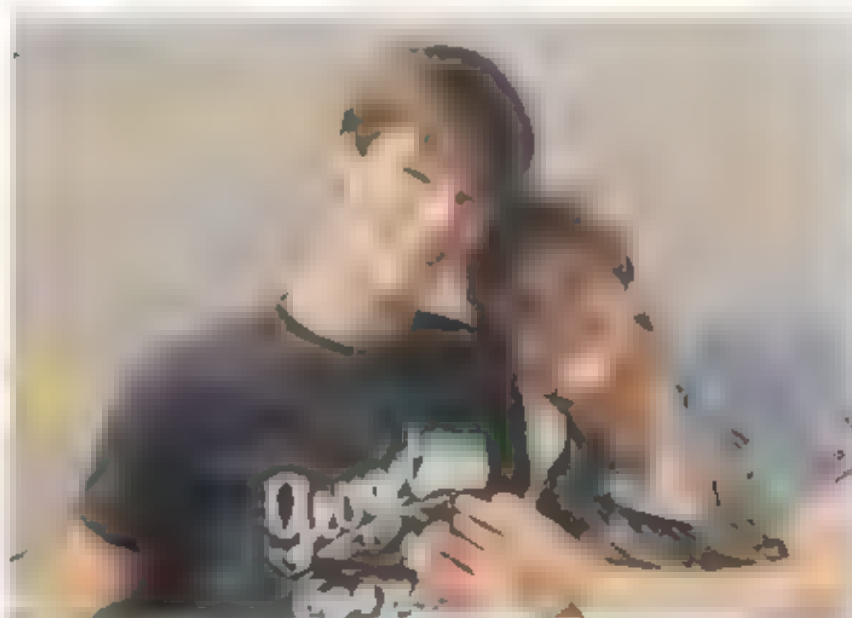

WE ARE BROTHER RICE

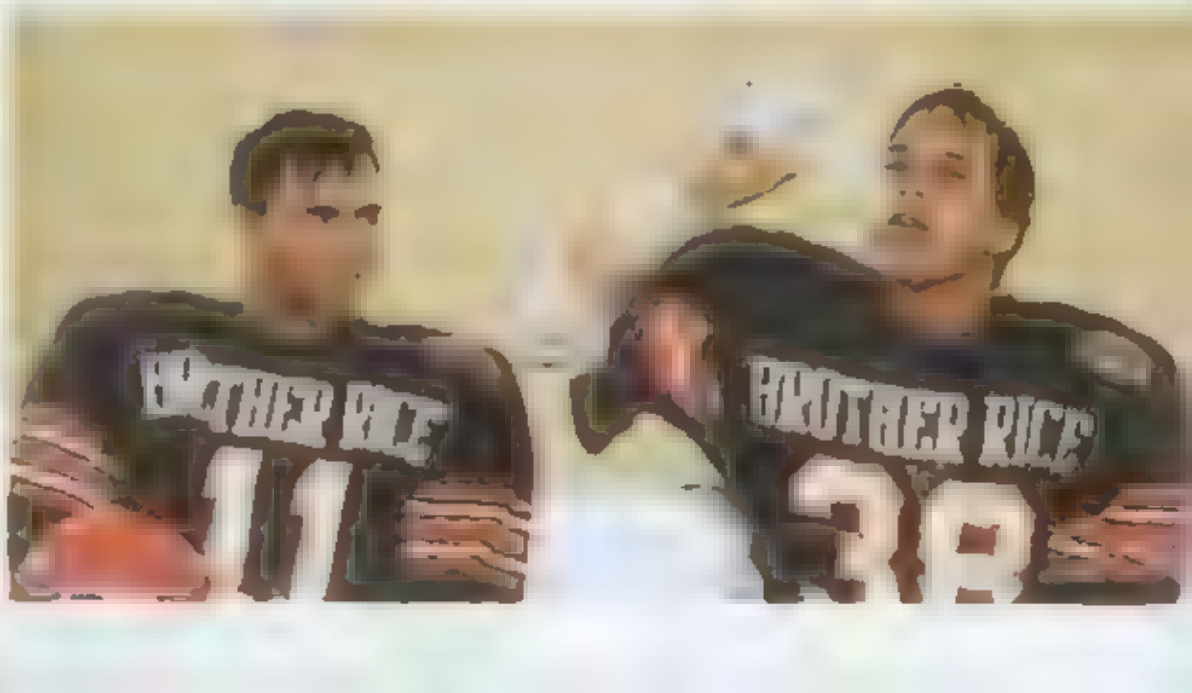

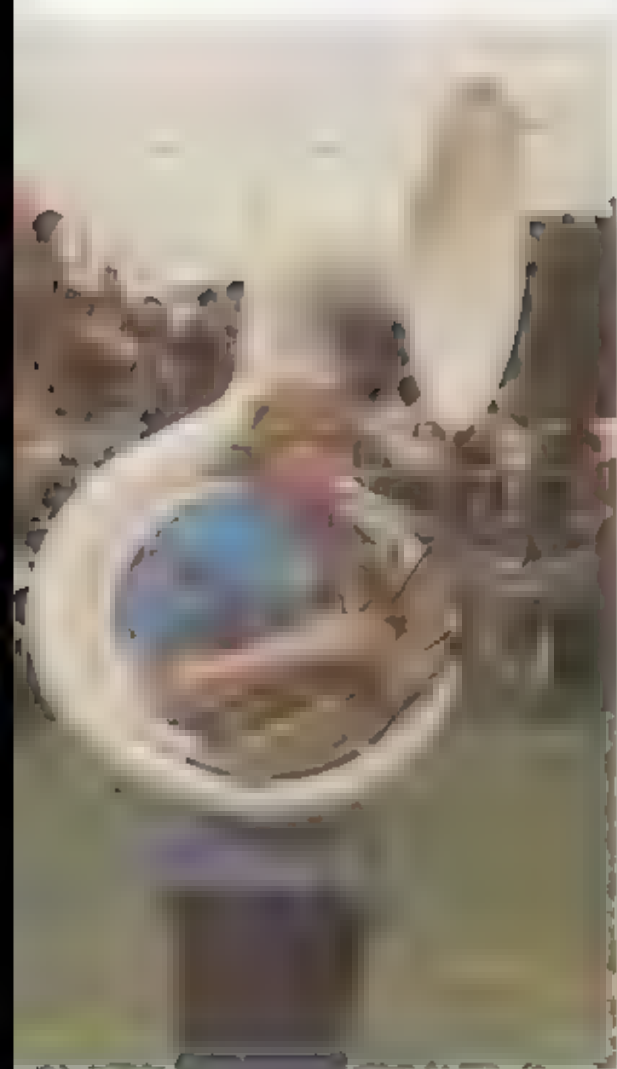

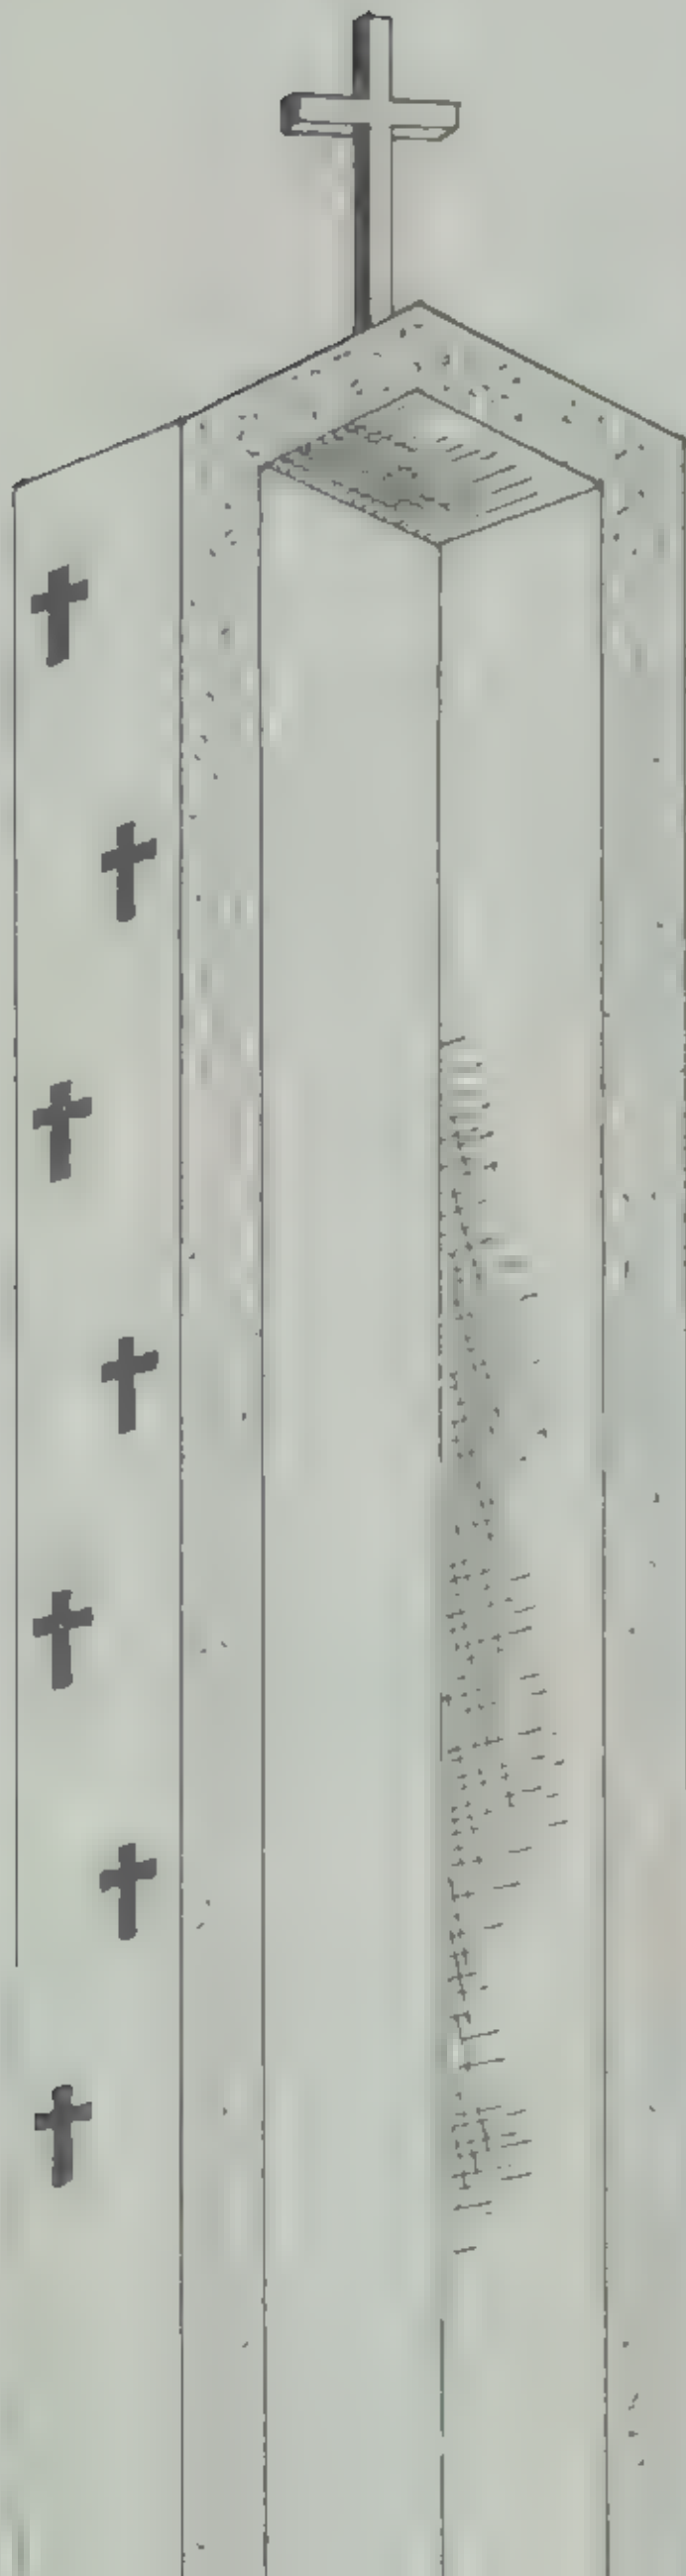

Four years ago, a fourteen-year-old kid walked through the doors of Brother Rice. He and 200 others like him roamed the halls aimlessly with wide eyes and open minds, ready to take on the world. Most had heard of the outstanding athletics and winning teams, but, aside from that, few knew what Brother Rice really was. As time went by, they learned, each in his own way, that Brother Rice was not just an athletic powerhouse or an institution for higher learning. It is a community of faith dedicated to attaining excellence and committed to be the best. The focus isn't on the teams winning or students getting excellent grades, it's on each member of the community doing the best he can. For me, Brother Rice is synonymous with excellence, excellence in the effort and the results

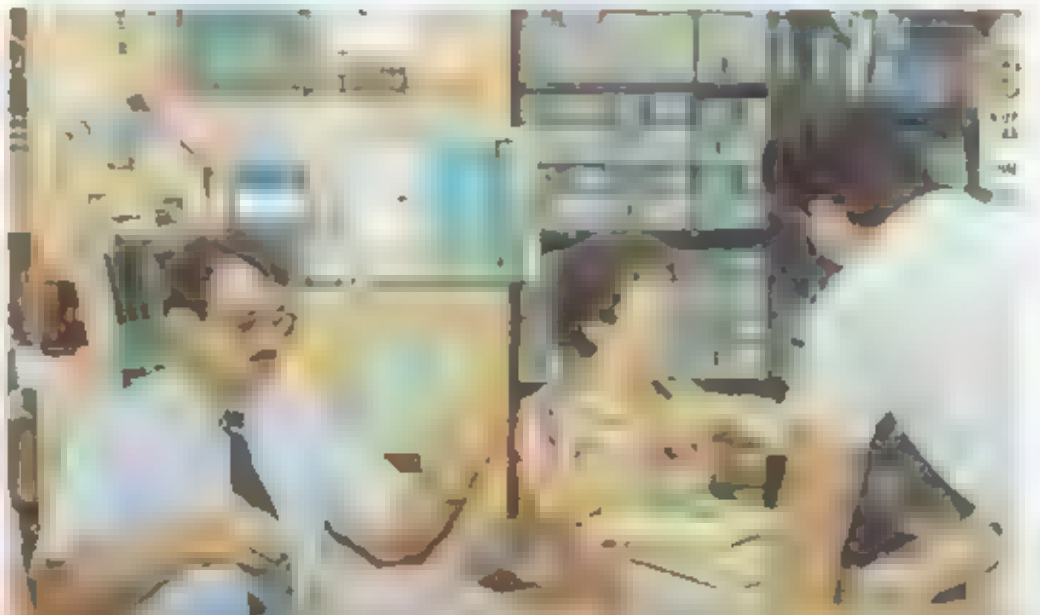

WE ARE BROTHER RICE

"Holiness through learning." This is our motto at Brother Rice High School. The Brother Rice goal is to form boys into learned young men who can better understand their Christian faith and their society to live a wise and holy life. This is the Brother Rice ideal, but Brother Rice is not an ideal. Brother Rice is people. The students and faculty of Brother Rice form Brother Rice High School. Together, we are people trying to live the Brother Rice Ideal. "We are Brother Rice!"

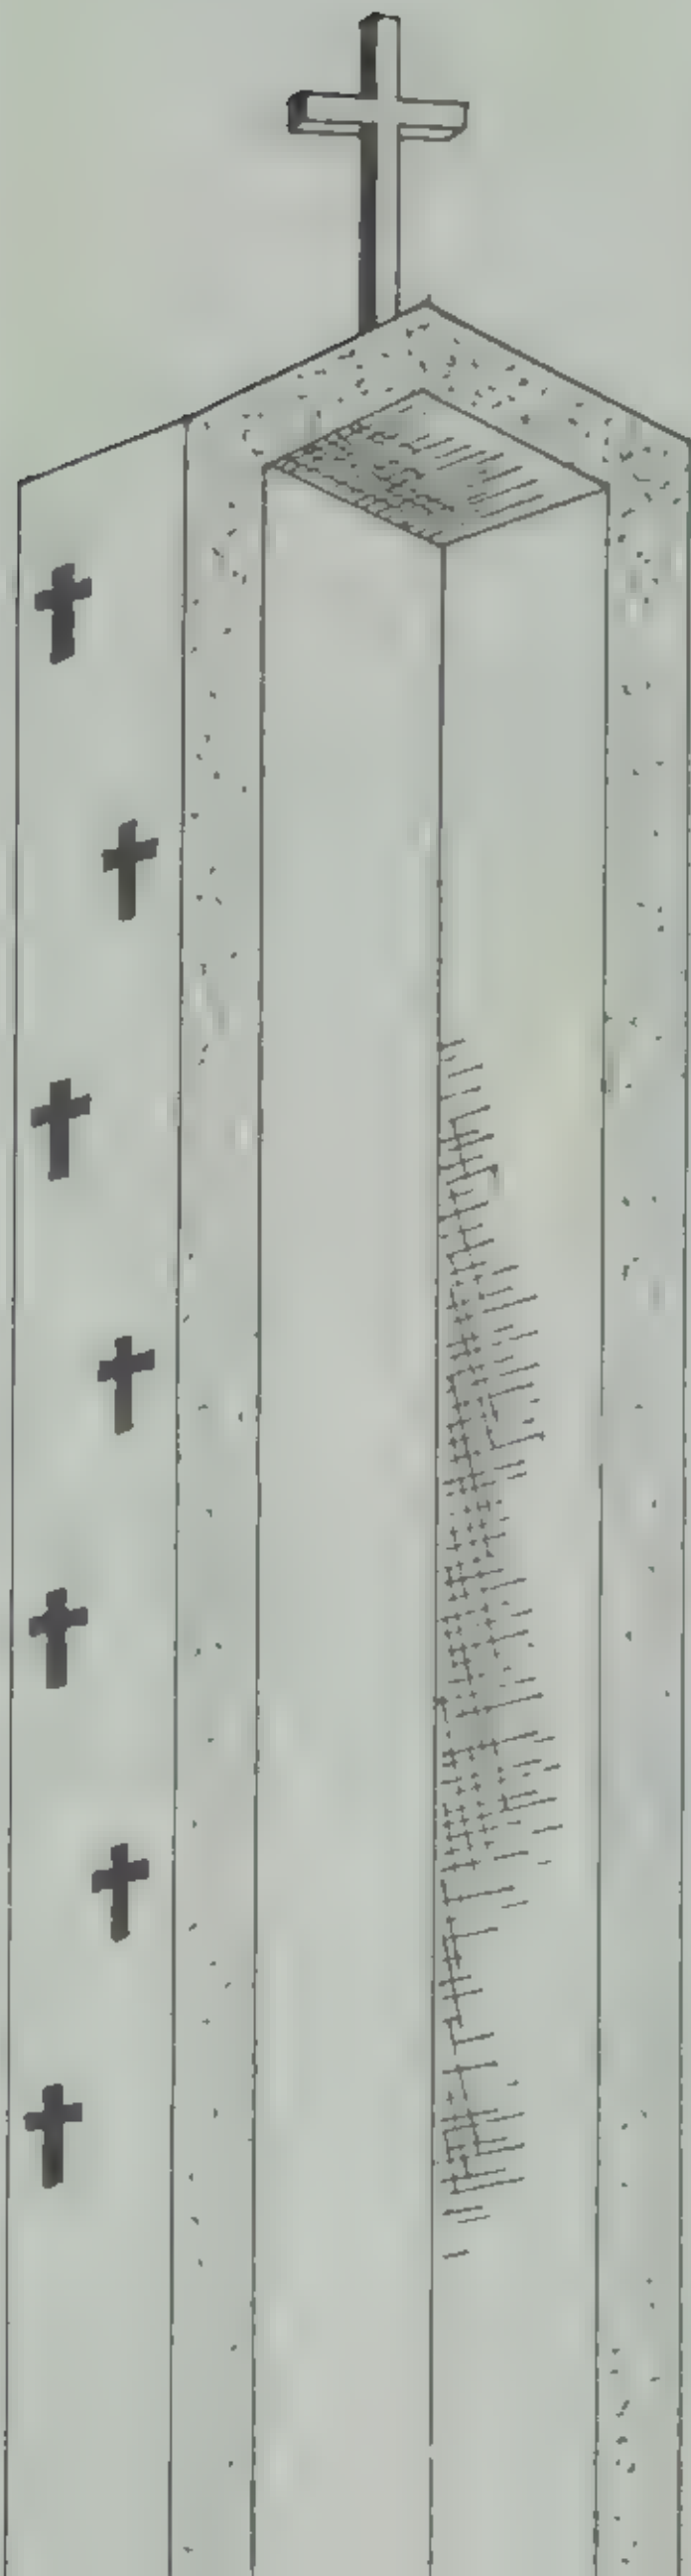

WE ARE BROTHER RICE

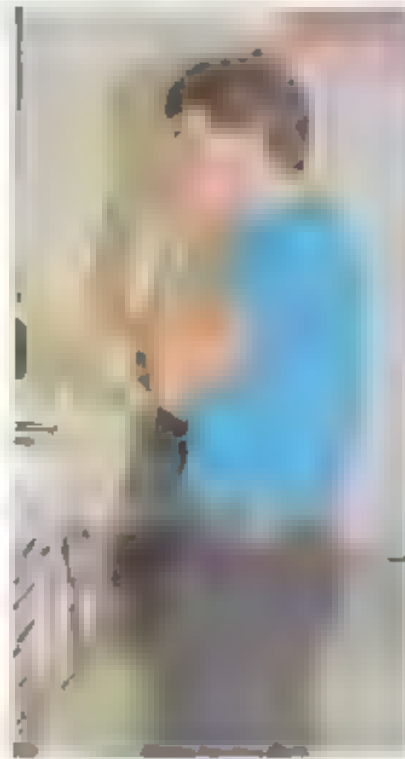

BROTHER RICE

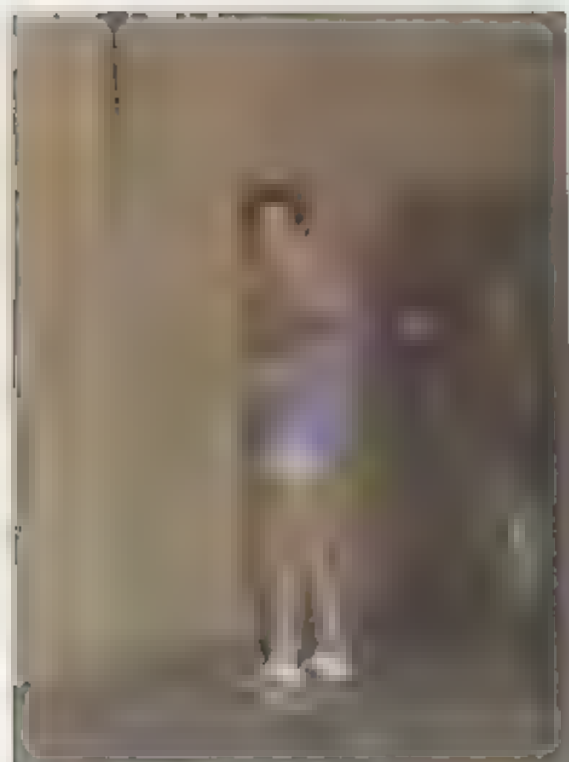

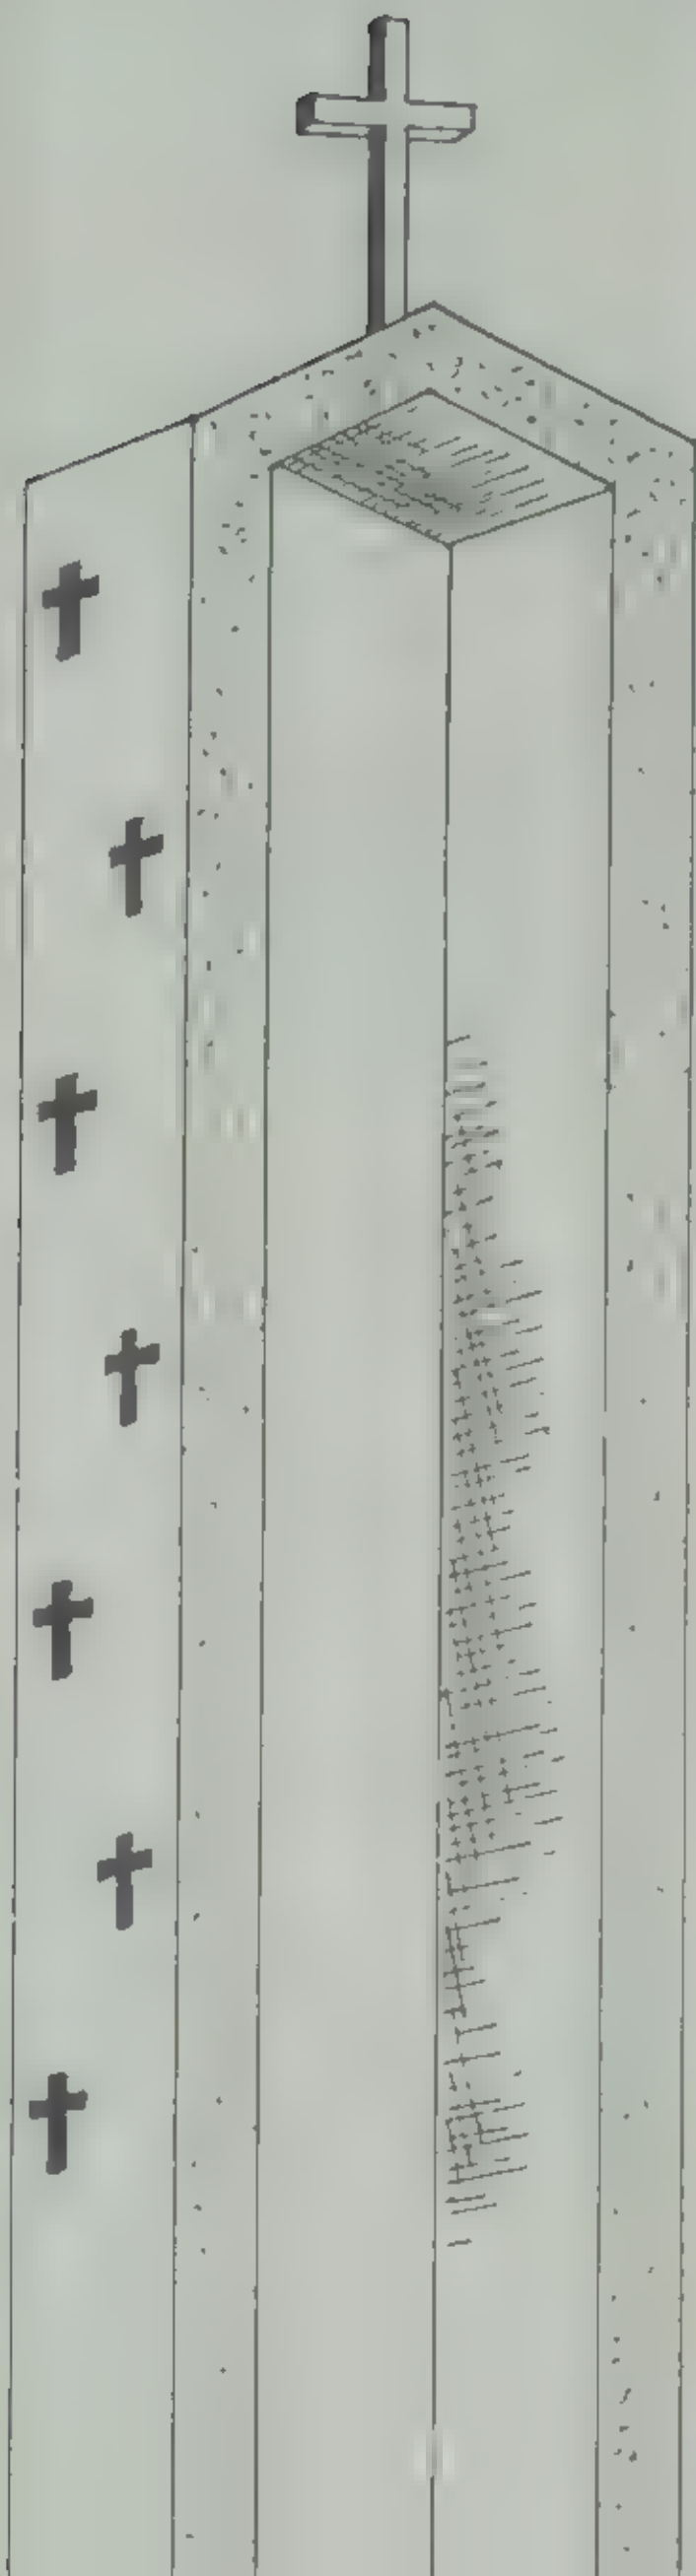

It is hard to believe that a school so small could turn out so many great minds. Brother Rice is by no means a large beautiful school. We do not have a football field, a baseball field, or beautiful classrooms. What we do not have in terms of size and facilities, we more than make up for in attitude. Brother Rice gives holiness through learning, just as the school motto says. The aim of the faculty is not to turn out potential millionaires or superstar athletes, but educated Christian young men. The spirit of Brother Rice to help those less fortunate is what sets it apart from all other schools. That is what Brother Rice is most proud of, and it is the biggest reason why there are so many great athletes and great minds.

WE ARE BROTHER RICE

Coming to Brother Rice has been the most important decision in my life. The Brothers are the most significant influence at Rice. They have devoted their entire life to teaching boys. By the time the boys leave, the Brothers have molded them into young men. They are as dedicated to us as we are to ourselves. Because of their dedication, the school exists solely for the students.

The laypeople at Rice present a tremendous diversity of personalities. Some are cool, laidback, and reserved, and others are stern disciplinarians. All instill the ideal of hard work in their students. The two ingredients which lead to success are talent and hard work. Everyone at Rice has talent. By the time students graduate, they have been taught to work hard. We do not need motivation. We motivate ourselves. We are ready for life.

This page is just a mere example of the amazing spirit displayed by the freshmen class. The words to the fight song were brought back this year, giving the freshmen class a better chance to display spirit. Some of the pictures show the devotion and effort put forth by the freshmen class this year. While on the topic of spirit, Big Boy has been a major influence in the freshmen class. We Are Up The Creek

As another year crosses our path, teachers and students get a little crazy. School spirit seems to take over, as well as a little natural insanity. Although some individuals went a little too far, the intent was always in the right place. Nevertheless, with people like this around, we are all up the creek. Hoyman tries to strangle Gary Sarafa and Pat Hayes "abuses" a frosh. Pat New wires the Dean's office and won't get caught but others do. Mr. O'Brien catches A.L. Bro. Hayes abuses everybody, except when Brad Roberts protects his car's parking space. Bill Fitzpatrick? NO BODY messes with him.

We Are Experiencing

Difficulties in everyday life are natural. We often have minor difficulties which we look back upon with laughter, and we have major difficulties which try our faith. The most common type of difficulty is technical, not unlike the media experiences (. . . one moment please). Usually these difficulties can be resolved with out too much trouble. Give the copier a good kick, it'll work in a second. Hit that film projector, it'll rewind, and so on. Technical difficulties are challenges that add a little spice to everyday life.

Brother Rice High School

Joseph A. Grimaldi

A. J. Grimaldi, C.F.C. - 1964

Br. Joseph A. King, C.F.L

Brother Joseph A. King has been an invaluable asset to Brother Rice for over twenty years. From the time of its infancy, Br. King has been able to witness our beloved school mature.

God has blessed Br. King with several talents. Through his love, wisdom, and patience, he has cultivated the minds of two generations of young men. During his residence at Rice, Br. King has been teaching Latin. He stresses, "The link between Latin and our lives is deep and abiding."

One does not have to study Latin to appreciate Br. King's profound lessons. He is the perfect role model for society to strive to be. His daily teachings enrich our lives. We at Brother Rice are very fortunate to have a man as wise and truly Christian as Brother King.

Greg Abowd

Bass drummer Gregory Abowd of Farmington Hills lost his spot on Notre Dame's marching band when he performed an unsolicited head stand before 80,000 football fans last year, but the antic helped him net a bigger score.

Abowd, a 21-year-old Notre Dame senior, was named one of 32 winners of prestigious Rhodes Scholarships, and he feels his stunt was a big factor.

"My ouster was the topic of conversation during all the interviews," Abowd, 21, said yesterday. "Mom thought it was going to ruin me, but really it broke the ice and helped me win the thing."

HE SAID he plans to use his scholarship to study "pure mathematics." The scholarship will cover at least two years of study at Oxford University in England and includes a stipend for travel abroad.

In addition to what his mother considers a healthy roguishness, Abowd, a 1982 Birmingham Brother Rice graduate, is also something of an academic marvel. A physics and mathematics major, he sports a 3.956 grade point average, acing courses like quantum mechanics, electricity and magnetism.

The man who turned down admission to Harvard and M.I.T. said he expects the American Journal of Chemical Physics to publish his senior research project.

To accept the Rhodes, named after the legendary imperialist who colonized much of Africa for Great Britain, he was forced to reject another venerable scholarship, the Marshall. Never before had one student qualified for both honors, a Rhodes Scholarship official said.

"I don't think there's anything so spectacular about me," Abowd said. "I had some good luck and I look good on paper."

ABOWD IS the 10th youngest of 12 children, all of whom were accepted to Notre Dame. Many, himself included, were high school valedictorians.

His mother, Sara, said: "The first two of them did well, and then the rest followed along. It was easy for my husband and me."

To win the scholarship, Abowd underwent intense interviews on subjects as complex and diverse as special relativity, general relativity and world politics.

He said he was asked the three major issues he would address if he were President of the United States in his final interview Saturday.

"I told them defense spending, world peace, and feeding the poor, especially in our own country," he said.

A FORMER point guard for the Brother Rice High School basketball team, the 5-foot-8-inch Abowd appears to take his good fortune in stride.

"I don't think it's going to hit me for a while," he said. "Right now, I'm in the middle of final exams and I have to get through them first."

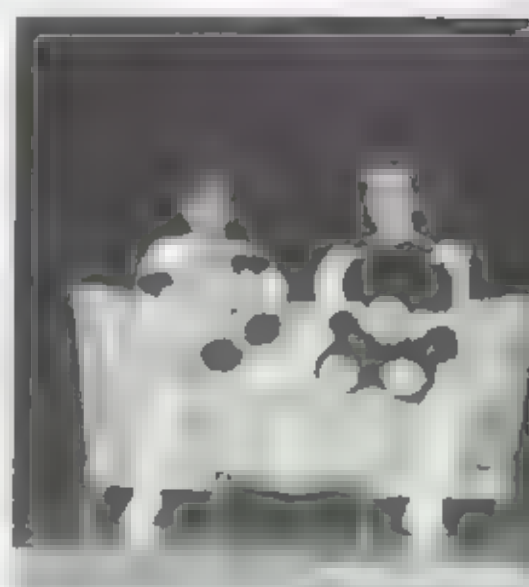

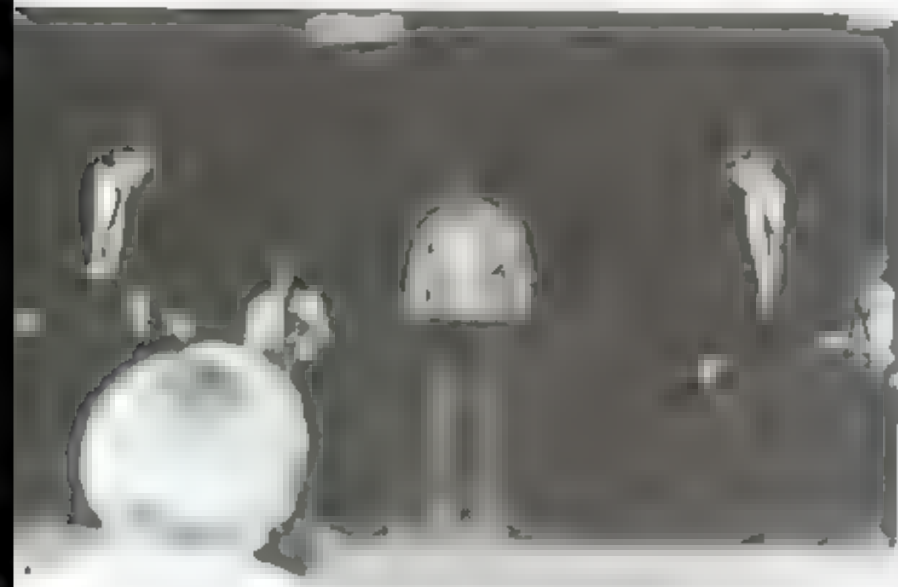

But his mother is not nearly as nonchalant.

"I just tell everyone," she declared. "At a party, I bragged so much that they eventually announced it over the public address system. I've got to keep my mouth shut."

Students Keep In Sync With Music

It was a Sunday, the second day of February, at about nine o'clock in the evening. It is the climax of over two hours of powerful lip sync action. Performers line the stage from end to end as jokes are told to ease the tension and one of the announcers is quoted as saying "even though we can't all win we have been fortunate to make new friends." What led up to this point?

Though some heard from inside sources, most from Rice learned of the lip sync competition from posters that the Marian Junior Class diligently posted throughout our school. In fact, only one out of every five acts came from our kids. These acts were "Shake your Tailfeather" by Ray Charles and the Blues Brothers with backup from Rhythm & Blues Review "Spies Like Us" by Paul McCartney "Shout" which was really a Marian act with backup from The Rice Toga Dancers, "Drive Me Wild" by Vanity-6, and "Gimme Some Lov'in" by The Blues Brothers. For the winner there would be a hundred dollars, second place would be fifty, and third would take twenty-five. All it would take to win would be to audition, go through two dress rehearsals, do the act on February 2, and collect the check — it was not so easy.

The Marian girls had their act together. Eleven girls and one Marian faculty member made up a committee that mas-terminated the show. Teresa Palace, Katie Babacock, Kristen Kranz, and Suzanne Kurnastad took turns as the announcers for the show. A panel of judges was brought together that included Brother Hassett, Chuck Doherty, and Dave Lockhart (a local disc jockey). In total there were eight judges.

Now the moment had come. Marian had made a clean sweep of all prizes. In third place was "Shout" by Oatis Day and the Knights. The performers in this group were Molly Flynn, Amy Hayes, Stephanie Prebenta, Maggie Cherry, Molly Haffy, Kathy Kelly, and Jenny Hoid. Featured in this Marian act were the afore mentioned Rice Toga Dancers consisting of Dave Pinelli, Mark Hawk, Bill Hall, Dave Abbott, Pat Vostal, John Nelson, and Jim Hartly.

"Count Me Out" by Abigail Quijano took second. Taking an overwhelming first despite the fact that they didn't audition or show up at any of the rehearsals was "Down on the Farm" by Billy Joel and the Cotton Pickers. Cathy Bowen, Tina Ancoy, Karan Kelly, and Megan Prey took the hundred dollars.

The show was sold out and was talked about on several radio stations the next morning.

Big Time Wrestling

Professional Wrestling first premiered at Brother Rice back in 1974. As a result of its tremendous current popularity, Big Time Wrestling was the perfect fund raising project. The junior class was the one bold enough to pursue the awesome task of bringing quality talent to Rice.

On January 18th, 1985, George Cannon and the Superstars of Wrestling made an encore visit back to Brother Rice. During the two-hour spectacle, we were entertained by six matches. We saw everything from tag-team matches to midget wrestling. The climax of the evening was the championship match.

The only disappointment was that no one from Rice was able to pin the Great Wojo and win the \$10,000 prize money offered. The evening was fun filled and spectacular, not to mention profitable. The Brother Rice Development Fund received over \$2,000 from the event.

Big Brothers Make Their Debut

This year an improvement was made for the incoming freshmen. Twenty-five volunteers from the senior class were selected to help guide the freshmen through Orientation. Also, for the duration of the remaining year, the volunteers were responsible for being present at each freshman homeroom. Headed by Chuck Doherty and Mrs. Linda Simonelli, the main objective of each Big Brother was to assist the frosh with becoming acquainted with Rice. The success of this new program is evident. It has received enthusiastic compliments from parents, teachers, and other students.

... Administration

If Brother Rice had the shape of a human body, the Administration would be the brain. Principal Br. Joseph A. Grimaldi coordinates and oversees the daily progress of the whole school. Administrative assistants Mrs. Lois Girardot and Mrs. Virginia Bergmann are in charge of the internal functioning of Brother Rice. Dean of Faculty James Murphy moderates the faculty at Brother Rice. Br David (Duke) MacIntyre monitors the curriculum and processes each student's schedule. Without the services of these people, Brother Rice, like a human without a mind, could not function properly.

Top: Br. Joseph A. Grimaldi, School Principal. Top Left: Mrs. Bergmann and Mrs. Girardot try to change their sons' grades. Top middle: Mr. Murphy pulls down the shades. Top right: Br. Grimaldi addresses the student body. Above: Br. MacIntyre is paralyzed when he realizes Mrs. Dewey gave A's to her whole Spanish IV class. Right: Mrs. Sundquist reacts to Mrs. Plunkett's yearbook budget.

... Development

Throughout the years the Development Department has led the efforts to expand Brother Rice. Director William Norton, assisted by Yvette Orlando, has run a variety of campaigns to raise money for expansion. The most successful of these has been the calendar drive. In its first year, it raised 45,000 dollars and its second year looks even more promising. If everything goes as planned, school expansion should begin sometime in the spring of 1986.

... Public Relations

Public Relations Director Barbara Carlson is in charge of presenting the image of Brother Rice High School to the public. She also oversees the production of publications that inform the community of Brother Rice and its varied activities.

Above: Mrs. Orlando inputs some new data.
Right: Mrs. Carlson relates to the public by posing for a picture.

... Guidance

The Guidance Department is an important assistance to the Brother Rice students. The counselors help the students through the problems they encounter in high school. They also help them plan a worthwhile future by arranging college entrance tests and help with the critical choice of which college to attend.

Br. Daniel Oehrle is the Director of Guidance. The counselors are Ron Kalczynski, John Glynn, and newcomer, Sr. Sue Gourley.

... Deans

The Deans at Brother Rice have the awesome responsibility of monitoring our conduct. Though their tactics may seem unfair and even harsh, we commend them for the outstanding job that they do. Although Mr. Al Jones has only been with us for a short time, he has upheld the high ethical standards that set Brother Rice apart from all other high schools. This school have been fortunate to have Mr. David Kozlowski for many years. Together, the two deans have worked towards establishing a high standard of morals for the students of Brother Rice. We are thankful for the contributions they have made towards the quality of learning at our school.

... English

The English Department at Brother Rice helps students develop their reading and writing skills. The freshmen and sophomores begin the path by studying types of literature and the mechanics of English grammar. During their junior and senior years, they apply their mechanics to compositions and the study of British Literature and novels.

The freshman teachers are Mr. Guy Morel and Mrs. Marlene Maniere. The sophomore year teachers are Mr. Tom Daniels, Mrs. Maniere, Mrs. Ann Plunkett, and Mr. Darryl Schoonover. Junior year teachers are Mr. Patrick McDunn, Br. Don McGovern, and Mr. Daniels. Senior year is taught by Mr. McDunn, Sr. Judine King, and Dept. Chairman Marcel Gagnon.

Completing this four year process will enhance the students' academic life and make him appreciate fine literature. The student will leave Rice with a well-rounded understanding and appreciation for the English language.

... Mathematics

From pre-algebra to calculus, the Mathematics Department prepares the student for college mathematics and a math-oriented career. At Brother Rice, students and teachers understand the importance of a strong background in this discipline.

The students are instructed by many dedicated teachers: Mr. Frank Carrico, Mr. Carl Grosso, Mrs. Mary Johnson, Br. Eugene Kelly, Mr. David Kozlowski, Mr. James Rademacher, Mr. John Ryan, Mr. Bob Stark, and Department Chairman, Mr. Anthony Sincic.

... Science

One of the largest and most important departments at Brother Rice is the Science Department. There are four different sciences taught: Biology, taught by Michael Hoch, Michael Popson, and Miss Lori Qualmann. Chemistry is taught by Mrs. Sue Jones and Br. Lawrence Mooney. Physics is taught by Br. Patrick Hayes. The medley of Organic Chemistry and Anatomy is taught by Department Chairman, Mr. Michael Hoch. This study gives students knowledge about themselves, and the surrounding physical world. It also provides the foundation for further study of science at the college level and for many science-related careers.

History

Without the past, there can be no future. The importance of this statement is upheld by the History Department at Brother Rice. Through those people who teach history, we are offered a window to the past, a past that contains both the painful mistakes and rich legacy of the human race. We are given the key to the ages and are encouraged to unlock the window to our shrouded and mystical history. Leading the students in their search through history are Douglas Filo, Br. Robert Beckstrom, John Birney, Mrs. Carol Crusoe, Gerald Bluhm, Department Chairman, John Kerr, and Sr. Mary Ellen Moir.

... Theology

"*Sanctitas Per Scientiam*" means Holiness through Learning. The Theology Department at Brother Rice believes that students, through knowledge of the scriptures, can grow in their Christian faith. Theology is a mandatory four year course. During their freshman year, students study the life of Christ so that they may become more like Him. Sophomores take a course in Church history. Juniors take a vital course in Christian morality. Seniors take a class that deals with adult Christianity and discusses topics such as child abuse, marriage, and the growing divorce rate. Seniors may also choose to take part in an optional Christian service program in which they spend one semester doing volunteer work at Wing Lake. There are also one-day retreats for underclassmen and optional week-end retreats for upperclassmen. Fr. Gomez conducts Mass and distributes communion daily. The Theology Department, led by Mr. Jay Louis-Prescott, is constantly working harder to help students find spiritual fulfillment or holiness through learning.

... Language

The Foreign Language Department at Brother Rice has much to offer. The Department is headed by Mrs. Veronica Dewey. Each student at Rice is required to take two years of either Spanish or French, optional four years of study is offered to those who wish to further their skills. The department teachers are Mr. Andre Civil, Sr. Anne Dumas, Mr. George Henretty, Br. Joseph King, Br. David (Duke) MacIntyre, Mr. Guy Morel, Mr. George O'Brien, Mrs. Christina Budd, and Br. W. R. Younghans.

... Speech

In today's hectic and competitive society, it is vital and most important for an individual to know how to stand up and express his views and opinions. This is why all students at Brother Rice take a course in Speech. The class is taught by Department Head Gerald Bluhm, Mrs. Gloria Michalski, and Br. Roger Hassett. Students learn to do everything from informative to persuasive speeches. For those who wish to further their verbal skills, there is a class in Debate and Forensics, taught by Mr. Bluhm.

The Arts . . .

Brother Rice has a wide range of courses in the fine arts. The Art Department, which is run by Chairperson Sr. Audrey Bushell and Mr. Marcel Gagnon, offers four years of study in art. The Music Department, run by Chairman James Reinhard, offers an Experience In Music course that deals with music theory and geneology. There is also beginning band and advanced band and a choral course taught at Marian by Sr. Maria. The Drafting Department offers a course in graphic design. It is taught by Department Chairman, Br. Gregory Lindeman

... Business And Computers

Many of us will sway towards a business career. Therefore, people like Mr. McKercher, head of the Business Department, and Mr. Jamieson, also in the Business Department, are indispensable. Hand in hand with business is the Computer Department. With every advancing day, computers are becoming a major part of the business world. Here to teach us this valuable knowledge are Mr. Paul Gray, Mr. Rademacher, Mr. Sincic, and Mr. Tony Waeschle. Thank you all for the great job you've done.

Top left: Department Head Mr. McKercher

... Physical Education

Commonly known as gym by the students, physical education is required for all freshmen and sophomores. The goal of Phys. Ed. is to allow athletic participation for all underclassmen, while preparing them physically with routine exercise. Supervising this department are Chairman Nicholas Conti, Albert Fracassa, and John Major.

Students in this course learn everything from shooting baskets to playing ping-pong. They even learn to measure their body fat and proper methods of dieting. The knowledge gained in these activities can be the foundation for a lifetime of good health.

... Library

Question: What is one of the most popular places in the entire school? The library, of course. The library is directed by Mrs. Helen Ginzler-Fishman, assisted by Mrs. Celia Zielesch and Mrs. Lillian Maben.

The librarians are involved in many significant tasks which maintain the smooth functioning of the library. The audio-visual center is one of the responsibilities under library auspices.

Others are handling of periodicals, typing paperwork, and, of course, keeping reprobrates under control.

Now you can see why the library is so popular. It has a bit of everything — even a kitchen sink!

... And Media Center

... Maintenance

Thanks to the Maintenance Staff, our school never looked better. They have provided us with a clean learning atmosphere. The Maintenance Staff is headed by Mr. Bill Homik, who is assisted by Mr. Robert Cartwright, Mr. Leonard Crafton, Mr. Cleve Cartwright, Mrs. Earnestine Holmes, and Mrs. Cynthia Randall

... Cafeteria

For the second year in a row the Cafeteria Service at Brother Rice has provided the students with fast, nutritious food. The Cafeteria Manager is Mr. Scott Lucas. The Cafeteria Staff is Mrs. Eileen Cummins, Mrs. Nancy Werner, Mrs. Katherine Williams, Mrs. Kim Wilson, and Mrs. Dana Dee Annibal. Everyday, beginning at mod 7 until mod 13, the staff provides the students with everything from french fries to reuben sandwiches.

Band

The Brother Rice Marching Warriors create the exciting atmosphere at halftime with their spectacular shows. Their intricate shows are accompanied by the 24 member drill team. The Band's busy schedule also includes appearances at the state competition, an annual trip, and several concerts throughout the rest of the year. This year the band is going to Quebec for the International Festival of Music. Before any of these performances can occur, the 65 members of the band put in many hours of hard work.

Under the direction of Mr. John Reinhard, the band has grown in stability and ability. The Marching Warriors thank you and all those who support them and hope for continued support in the future.

Pep Band

The Brother Rice Pep Band is a group of high-spirited students which work hard for very little. These "people" can be seen at almost every away football game. The Brother Rice Pep Club did their best this year to cheer on our teams even though they didn't capture any state titles. Their enthusiasm brought the cheers of fans up to a level never seen at Rice. They provided a guiding influence to urge the Rice teams on through the toughest games. Under the supervision of the one and only J.R., they encouraged the spirit of the Rice cause. Major contributors to this valuable group were Chuck Doherty, Kevin Broughton, Paul Shook, Pat New, and Bill Schlager. We must also remember our Warrior, Matt Deighan.

Choral

The Rice Marian Vocal Department is comprised of six choral groups: Advanced Choral, Chamber Choral, Choral I, Madrigals, Show Choir and Marian Singers.

Active participation in the social community is very much evident in that the various choral groups are called on to perform at many functions throughout the year from singing at shopping malls and country clubs to convalescent homes. The students involved are very dedicated and have a tremendous spirit of pride.

Two annual concerts are held at Christmas and in May. Private piano and voice lessons offer a challenge for students wishing to perform as soloists. Sister Maria Teresa Magrie, their Directress, appreciates each and every choral student and knows what beautiful harmony, unity and spirit of happiness they convey as they lift their voices daily in song.

Dramatic

This fall the 1985 - 86 Rice - Marian Players performed the astonishing play, GODSPELL. The performance was magnificent, emotionally gripping the crowd.

The musical was first performed in the 60's and was redone in excellent fashion. The plot was the life of Jesus and his surroundings. Kevin Brennan lead the cast as "Jesus" and the other twelve actors as his disciples. The music and light show added to the play's perfection.

Godspell was probably the most successful play in Rice - Marian history. The spring play, DAMN YANKEES, will hopefully prove to be even more successful.

As this year's collection of 35 awards indicates, the Debate Team continued its historical success. Highlighting the year was the team's initial effort, which resulted in winning the Michigan Speech Coaches Association State Championship.

The success continued as the Novice Team, led by Ashok Rodrigues, Craig Heudrickson, Jeff Langan and Tom Ward won the Novice State Championship. The Varsity Team, led by Mark Kaminski, Clint Weber, Jerry Szpotek and Dan "Howie" O'Connor, finished fifth in the Varsity Championship series.

Intramurals

Intramurals were organized for any student who does not participate in interscholastic sports. Intramurals are an opportunity to be a star without all the recognition. There is no limit to the number of students who can participate. The variety of I.M. sports goes from football to basketball. This wide range of sports helps students excel in not just one sport, but many different sports.

Team spirit is the main aspect of the I.M. program. It is a chance to play with intensity. Everything is independent; you can play any position you feel is right for you. Losing doesn't mean anything in Intramurals. Playing the game is all that counts.

Quest

The 1985-86 Quest Staff was given an exigent challenge. The Staff had to produce a high quality yearbook in a bare minimum of time. The new members to the staff have contributed much time and effort to the prosperous and successful advancement of this master publication. With the aid of these new members, the staff has been able to conquer formidable deadlines.

Editor-in-Chief Tim Luke, a veteran of the ill-fated '84 - '85 yearbook, used his past experience and acquired wisdom to begin organization of the staff earlier and more efficiently. Aided by Assistant Editors Mike Sommerfeld and Matt Desmond, he set up five staff editorial positions, assigning staff members to work on specific areas. The new staff members brought a great deal of innovation and creativity to the yearbook, sprucing up what had usually been plain, bland pages. With the advice and assistance of faculty advisor, Mrs. Ann Plunkett, the staff worked to produce the best yearbook possible.

THE CHIEFTAIN

The 1985-86 Chieftain Staff continued in its endeavor to express the views and opinions of the Brother Rice student body. Editor-in-Chief Joe Hart did an excellent job of producing high-quality issues in a minimum of time. Joe was assisted by a multi-talented editorial staff who put its full effort into supplying Joe with many articles. Managing Editor Jim Hartley, News Editor Mark Zacharek, Feature Editor Jay McDowell, Opinion Editors Jody Blanco and Tim Luke, and Sports Editor Mike Mullen were responsible for making the Chieftain what it is today. Since Moderator Marcel Gagnon was able to keep full control of the page in the student's hands, it truly represented the voice of Brother Rice. Thank you, and good reading.

Ski Club

The 1985-86 school year brought back many activities which had been dropped in previous years. One of these activities was the Rice Marian Ski Club. This group of recreational skiers set out this year to bring the Rice and Marian communities together through the lively sport of skiing. In their efforts to do this, they revived the long lost tradition of Rice-Marian skiing.

Through the efforts of Mike Peyton and its members, the Ski Club proved a great success, and we will look forward to it again next year.

Throughout this year, many students participated in Model United Nations at Mercy, Marian, U of D., and on a national level in Washington. Those delegates who were chosen for Washington are Club President Chuck Doherty, John Frendo, Pat New, Tom Doherty, Bill Doyle, Bill Schlageter, Mick Kelleher, Tom Zidar, Tim Luke, Joe Hart, Dave Podeswax and James Hartley. We'd like to extend a special thank you to all delegates for so diligently trying to solve the world's most drastic problems.

The Perspective

A PUBLICATION OF THE LITERARY INTERSCHOLASTIC PRESS

VOL. I No. 1 WINTER 1985

To Boldly Go Where No Staff Has Gone Before

The high school newspaper is an integral part of the student body. It represents the opinions, ideas, and major events of the school and its students. A school newspaper can serve as a platform from which students can present an argument and defend it. In this case, students can demonstrate an opinion to others and hopefully achieve a desired end.

However, one high school is just a small part of a much larger community. Every high school shares similarities with other schools. Likewise, the students share similar opinions and ideas, likes and dislikes. Even though a high school newspaper represents students' opinions, it cannot provide an impetus beyond the school and its students.

In bringing the community of high school students together, the Perspective hopes to provide a new insight into the high school as a "community." By existing as a community of student opinion, the Perspective will represent the shared ideas of students from nine different schools. The following schools will be taking part in the Perspective: Birmingham Brother Rice, Birmingham Groves, Marian High School, Bloomfield Hills Andover, Cranbrook-Kingswood, Detroit Catholic Central, Farmington-Mercy, Royal Oak Shrine, and West Bloomfield High School. The ideas from each school can then be conveyed to the "total student body." As a result the area high schools will be

brought together to form a significant force in the community.

The Perspective will be presenting a wide variety of opinions. These opinions are not necessarily those of the Perspective as an individual newspaper. The First Amendment of the Constitution states the illegality of prohibiting the freedom of speech. Thus, the Perspective must print both the opposing and defending opinions of an argument so that the genuine totality of the idea is understood.

The Perspective was conceived through the efforts of Brother Rice's Joe Hart and Marian's Kathy Kress. A formal letter of invitation to the proposed joint newspaper was sent to local area high schools. Those schools who responded were then considered to be an important part of the Perspective. Weekly meetings were held at Brother Rice to discuss topics concerning the material, format, expense, and layout of the newspaper. All the participating schools suggested ideas that contributed to the final layout of the newspaper. If all the schools hadn't contributed their efforts, the printing of the Perspective would be impossible. This is a perfect example of the "community" ideal which the Perspective hopes to convey. The editors and staff of the Perspective hope that this first issue will be a successful and meaningful effort from which many worthwhile and beneficial goals will be obtained.

... Wing Lake

The Christian attitude at Brother Rice shone through again this year. Christian service has expressed the love and care for the poor and disabled. Numerous fundraisers and donations have enabled the students to help the unfortunate. Student volunteer work at Wing Lake was another example of the dedication to Christianity shown at Brother Rice. These activities spiritually enlightened the Brother Rice community. No thanks or compensation was expected. These acts of love were done from the heart!

1986 Calendar Drive Wispas Vs. Away

Among many fundraisers here at Rice, the Calendar Drive is the most student-oriented and highly organized. Headed by Mr. Norton, new incentives have been added, including excellent changes for fantastic prizes. Congradulations to those who contributed to the organization and design of the calendar package, the students who sold them, and to the investors in out school's future

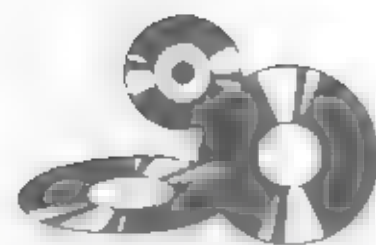

CONGRATULATIONS to Mr. Robert Curtis (far left) of Dearborn Heights, who won the Grand Prize of last year's Calendar drive. The winning ticket was sold by Junior Mark Zurawski (center left). Mr. Curtis elected to take a \$10,000 check in lieu of the 1986 Chrysler New Yorker. The Grand Prize for 1986 will be \$50,000 which will be drawn November 1986.

The Brother Rice-Marian Dance-A-Thon was reinstated after a year's absence. It was held Friday night to Saturday morning on February 7-8, the year One-Thousand Nineteen Eighty Six. This year's Dance-A-Thon proved to be a great success. The dance was not only a success in the fun had, but also in the money raised. The proceeds from "Dance-Aid" went to benefit several local charities.

Spirit Day

Besides cheering madly at all of the sporting events, the best chance for Brother Rice students to display their school spirit is the festivities of Spirit Day. After inspirational speeches by student council members, Mr. Fracassa, and Mr. Popson, the whole homecoming court is introduced. The main event then commences - inter class competition! Volleyball, tug-of-war, pie-eating (which everyone seems to get in on) and the school favorite, Bagelball, are a few examples of the rigorous athletic events which comprise the Spirit Day competition. The student body exhibited more enthusiasm and school pride this year than the past five years.

The 1985 Homecoming Dance was some real fun, I tell ya. After a nerve-wracking Boy's Bowl game against Catholic Central, the juniors and seniors were able to come to a semi-formal ball and dance their frustrations away. The Homecoming court consisted of Jennie Smith, escorted by Brian McCafferty; Laura Sullivan, escorted by Tom Barnds; Patti LaBelle, escorted by Dan Padilla; and the Queen, Maureen Maher, escorted by Jeff Sleboda. People danced a great deal, and it was a lot of fun. This writer is excited, in particular. It should be really fun next year, too. I hope.

The Rice Community Presents:

The Ninth Annual Irish Night Auction sponsored by the Brother Rice Dads' Club was one of the most successful ever. The funds raised this year will go toward the purchase of computer hardware and software, as well as the more traditional forms of materials and equipment for the Learning Center.

This year the successful Friday Night Preview was back once again and, because of its increasing popularity, generated even more participation. The Friday Night Preview Party was followed by the social event and fundraising extravaganza of the year on Saturday evening in the transformed Brother Rice gym. The highlight of the night was the Live Auction, which featured prizes ranging from a model A Ford to a brand new Taurus.

The Mothers' Club is an organization whose function is to bring people together for work and for fun. The people they bring together range from faculty and students to parents and various members of the community.

Meet the Faculty Night, the Mothers' Fall Tea, the Freshman Parents' Party, and the Mother Son Dance were all a success this year, thanks to the Mothers' Club. They also host the Freshman Open House, Faculty Christmas Brunch, and the Spring Scholarship Luncheon.

The Mothers' Club main activities are Irish Night and the Spring Luncheon, previously known as the St. Patrick's Day Luncheon. Funds from these events are used for many projects throughout the school and to provide scholarships for needy students.

We offer our most gracious thanks for their efforts to improve our school condition.

The Dads' Club

Indispensable to the smooth functioning of Brother Rice, the Dads' Club contributes to the financial, athletic, academic and spiritual goals of the school. Chief among their fundraising activities is the Dads' Club Golf Outing. In addition, the members contribute time, money, and energy to the organization of a successful Irish Nite Auction.

The Dads help support the athletic program by organizing the Prep Kickoff Classic and by lending assistance as ushers at athletic events.

Of their many activities, the Dads are especially happy to organize a Career Day that provides much valued information on career choices.

Aware, furthermore, of the necessity of integrating learning and athletics with spiritual growth, the Dads' Club contributes to the spiritual goals of Brother Rice by sponsoring the annual Father-Son Communion Breakfast. Thanks, Dads, we needed all of that!

Karate Club

The Karate Club is a success in its initial year at Brother Rice. Beginning students learn *Isshinryu* and are taught basic exercises such as punches, blocks, and kicks. They also learn *Katas*, which are forms of exercises. All participants practice self-defense techniques involving *Karate*, *Jud* and *Aikido*. Eventually, all students in the group will *kumite*, which means to fight. Karate is an individualistic sport and each individual in the group moves at his own pace. Most students in the group are beginners, although Hoyman Hong, Matt Newsome, and Jim Fanucci have already attained ranks in different styles.

The moderator of the Karate Club is Mr. George Henretty. His experience in the Martial Arts field includes 1 year of *Aikido*, 2 years of *Judo*, 3.5 years of *Tang Soo Doo*, and 16.5 years of *Isshinryu*. Karate helps to develop physical and mental discipline, which, in turn, helps to develop self confidence in the individual.

Warriors Will Never, Never, Never Give Up

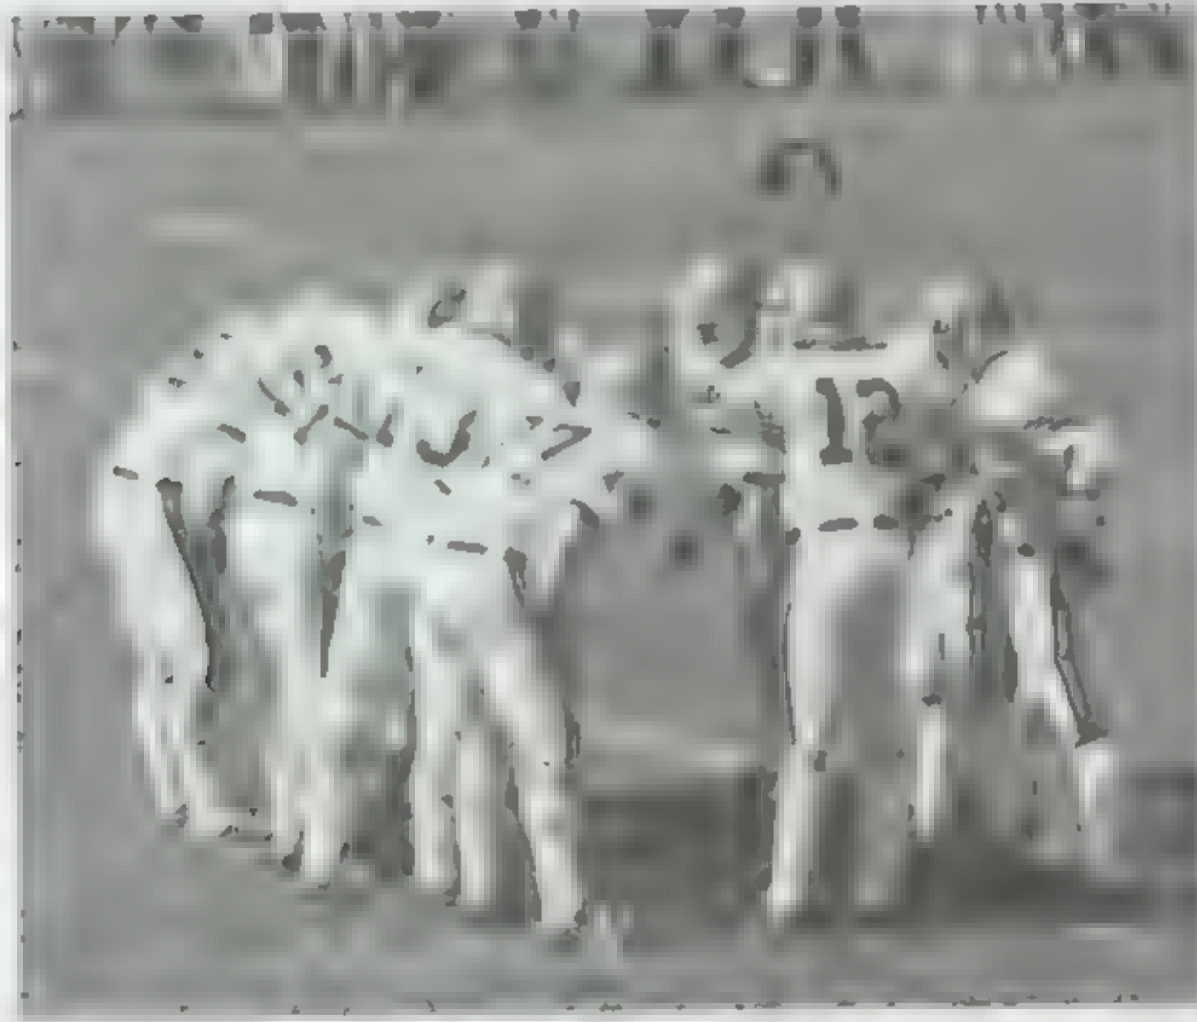

The Brother Rice Varsity Football team, led by the incomparable Al Fracassa, showed its poise and class in the 1985-1986 season while it struggled through a tough schedule. The Warriors lost their first four games to perennial powerhouses before bouncing back to close out with 4 wins and 5 losses. They never, never, never, gave up. Said Coach Al Fracassa, "These are tremendous kids. They are amazingly together. They lift me up. The other day, one of the boys saw me and he knew I was a little down. He told me how much he was looking forward to playing Glen Oaks. He got me up. Isn't that amazing?"

The warriors were led by Senior Tri-Captains Chris Sullivan, Tom Allen, and Kevin Wachowiak. Sullivan threw for over 1400 yards and completed 60% of his passes. He made Rice's passing attack one of the best in the state. On defense, the Warriors placed emphasis on team unity. Dietrich, Stonestreet, and Wachowiak led the team in tackles.

A bright spot during the season was the twelfth man. Public support from students and parents was the best it's been in years. Brother Rice can look forward to more success in the years to come.

J.V. Warriors Stand Out

The Junior Varsity Football Team had a good season this year with a record of 4 wins, 2 losses, and 1 tie. After a slow start, they came back into form and went unbeaten for four of their last five games.

Quarterback Scott Alpers played well in most of the games and was a leader on the team. Running back Mike Ferguson consistently ran for many yards throughout the season. On defense, Jeff Calcaterra was one of the many who played in every game. The team had big wins over Bishop Borgess, winning 18-0, and Henry Ford, winning 18-6. The future of the Varsity Team looks very promising with so many good players coming from this year's J.V. team. J.V. Head Coach Sheldon Bradley looks forward to many more exciting seasons.

Frosh Football

The Freshman Football Team had a very successful season this year, with a 6-1 record, losing only to Catholic Central in a tough 7-0 battle. Despite many injuries in the beginning of the season, the team dominated the Catholic League, finishing second behind Catholic Central. Most of the team's wins were decisive wins, which included big wins over DeLaSalle, 31-0, and Bishop Foley, 35-0.

The team's powerful offense was centered around Running Back Dean Moscovic, who lead the team in rushing and scoring, and Quarterback John Rose, who played very well in the beginning of the season until he suffered a broken shoulder. He was replaced by Jeff Carroll, who also played very well.

The defense, lead by Scott Mirchant, A.J. Plaskey, and Carey Mitchell, held their opponents to very few points over the season.

Head Coach Mike Jamieson anticipates many more successful Freshman teams like the one this year.

Harriers Excel

The 1985 Cross Country team closed the season with an impressive record of 5 and 1, including the titles of Catholic League Champions and State Regional Champions, runner-up in the Central Division, and a first place in the Spartan Invitational.

Several outstanding runners were selected for All Central Division, All Regional, and All Catholic Awards. Those selected for All Central Division were Ed Hickey and Dick Thornbury; for All Regional: Ed Hickey, Ken Kimble, Dick Thornbury, and Jim Rippy; for All Catholic: Ed Hickey and Ken Kimble.

With the excellent leadership and coaching of Head Coach Bob Stark and Assistant Coach Brother Hayes and the willingness and cooperation of the team, they worked together to produce a victorious season.

Linksters Find Success Once Again

The Varsity Golf Team had a successful season this year, compiling a dual meet record of 9 wins and 1 loss, the loss coming on a disappointing one stroke decision to Catholic Central. Senior All-Stater Mike Brown led the team with a dual meet average of just under 38 for nine holes. All-County golfers junior Hank Andries and sophomore Rob Morad had prosperous seasons, with dual meet averages of 38 and 37.5, respectively. The Warrior golfers also had a successful tournament season, finishing no lower than third. These included a first place finish in the West Bloomfield Invitational and Midwest Invitational, and a third place finish at the State Finals. Despite the loss of graduating seniors Mike Brown, Pat Shannon, and Steve Powers, the team's future looks very promising with the return of 2 junior and 4 sophomore varsity golfers.

The JV team also had a triumphant season, compiling a record of 9 wins and 3 losses.

Water Wonder Warriors

The 1985-86 swimming team was led by two true Warrior captains, Matt Deighan and Paul Delacourt. The season started early, with morning practices beginning at 6:00 A.M. which began the quest for its ninth Catholic League Title.

The swimmers counted on key performances from seniors Matt Deighan, Paul Delacourt, and John Schmeiding, who led the team in early workouts with inspiration and dedication.

The hard training paid off with a successful dual and championship season. The team had many other fine performances from juniors Mike Scanlan, Mike Pfeifer, Diver Tom Callam, and sophomores Mauricio Bustos, Chad Moncher and diver Bruce Vickery.

The coaching staff, led by Mr. O'Brien, guided the team to some impressive goals. The swimmers and coaching staff deserves a lot of credit.

Soccer Finishes 2nd In The State

Brother Rice posted its best record ever this year, 19-2-3, which included a trip all the way to the state finals. The kickers lost in the final to undefeated Livonia Stevenson, 4-3.

The Warriors were led by Senior Captains, Craig Donahue and Brian Sullivan, and Junior Captain Sean McMannon. First-year Coach Alex Maderal guided the team to winning their third straight Country Day Tournament. Rice also finished first in the Central Division of the Catholic League.

A team that wasn't even ranked in the pre-season polls, Brother Rice earned a no. 2 spot in Class A at the end of the season. A first-ever victory over Catholic Central and a tie with highly ranked Troy Athens were highlights from the year's successes.

Statistically, Rice outscored its opponents 99-27. The kickers featured a potent offensive attack with Kord Kutchins, McMannon, and Steve Schliem providing most of the offense. The tough defense featured Laith Yaldoo, Sullivan, Donahue, and Dave Hayes, while Brian McCafferty was the anchor in the back. Mike Turko, Marc Moraniec and John Reno shared the goalkeeping duties.

Although much of the team will be lost to graduation, Brother Rice will be back on top in soccer once again next season.

J.V. Soccer

The J.V. Soccer Team at Rice unfortunately did not have one of its better seasons. Headed by Coach Jay Lewis-Prescott, the team had a record of 5-11. This was Coach Prescott's first year coaching J.V. soccer after replacing Mr. Andre Civil. "We've laid a strong foundation and I look forward to next year's season with great optimism," said Coach Prescott.

Freshman Soccer

For the first year at Brother Rice there was a Freshman Soccer Team. It played only one game because of scheduling problems. The important thing, though, is that a team was established, and that Rice will continue the program. The coach, Geoffry Parkinson, doubled as the assistant Varsity coach. If the scheduling problem is worked out, Rice's athletic excellence will begin in the freshman program and build toward future success.

Skeet And Trap Team Continues Tradition

A relative newcomer to the vast array of sports at Brother Rice has been that of Skeet and Trap Shooting. Originating in England in 1793, this sport slowly made its way to the United States and was first established in Cincinnati, Ohio, in 1831. The sport has recently captured the attention of high school coaches. This highly enjoyable activity was first initiated at Brother Rice four years ago by Mr. Edson Gallaudet. Today, Brother Rice is the only high school in the Detroit area who has incorporated skeet and trap shooting into its sports program. The seasons in which Brother Rice partake in this exhilarating sport are the spring and the fall. The team meets at the Oakland County Sportsmans Club in Waterford. This year's team consisted of seniors: Chris Stout, John Nelson, Pat Hayes, John Sarafa, Eric Slabough, and Jeff Lichiello; juniors: Marc Gemellaro, Jim O'Donnell and Joe Mastrangeli; sophomores: Brad Olson, Rob Tomlinson, Chris Mohr, Eric Banson, and Matt Hermes; freshmen: Dave Schlageter, Andrew Siudara and Billy Arthurs. Bud Siudara coached the team through the year, while Edson Gallaudet supplied the equipment. The Skeet and Trap Team participates in various competition shoots. The Brother Rice team took second place in the Eastern Michigan Invitational last fall.

Ski Team Stands Out In Best Year Ever

During the 1985-1986 season, the Rice-Marian Ski Team took a more dominate position than it ever had before. Although the season began with an 18-19 loss against Lakeland, the season flourished with many victories, thanks to the commanding efforts of Coach Cynthia Bowman. The Ski Team was able to defeat Walled Lake Central and rally to win a Central Division Championship.

The team was blessed this year by the Byrd Brothers skiing duo, Mike and Dave. Mike placed first in the Divisionals, third at Regionals, and sixth at the state competition. Dave took a third at Divisionals, and, with Eric Siegel, consistently ranked in the top five. The team took an eighth place overall at the State competition.

Marian also had a consistent season. Cindy Arthurs dominated through the season, putting up a strong fight against the two Gass sisters, perennial arch-rivals. Sue Barrett and Heidi Wysong were also dominant elements.

Netters Smash Opponents

The 1985 Tennis Team, through the great coaching of Mr. Hebold and Mr. Mckercher, had quite an impressive season. With a 14-0 regular season record, the netters were both league and regional champions.

In the league championships, the netters edged CC in an 18-17 victory. They were equally impressive in the regional championships when they beat Sehome to win the title. Through the excellent play of Eric Garcia, Marty Di Loreto, Tim Kalil and Pat Walsh, the netters went on to take fourth place in the state finals.

Standing: Coach Don Mckercher, Tim Kalil, Eric Garcia, Kurt Strong, Steve Guccardo, Dan Padilla, Andy Garcia, Coach Manny Garcia. Kneeling: Tony Grassodonia, Marty Di Loreto, Kip Olsen, Pat Walsh, Joe Odish.

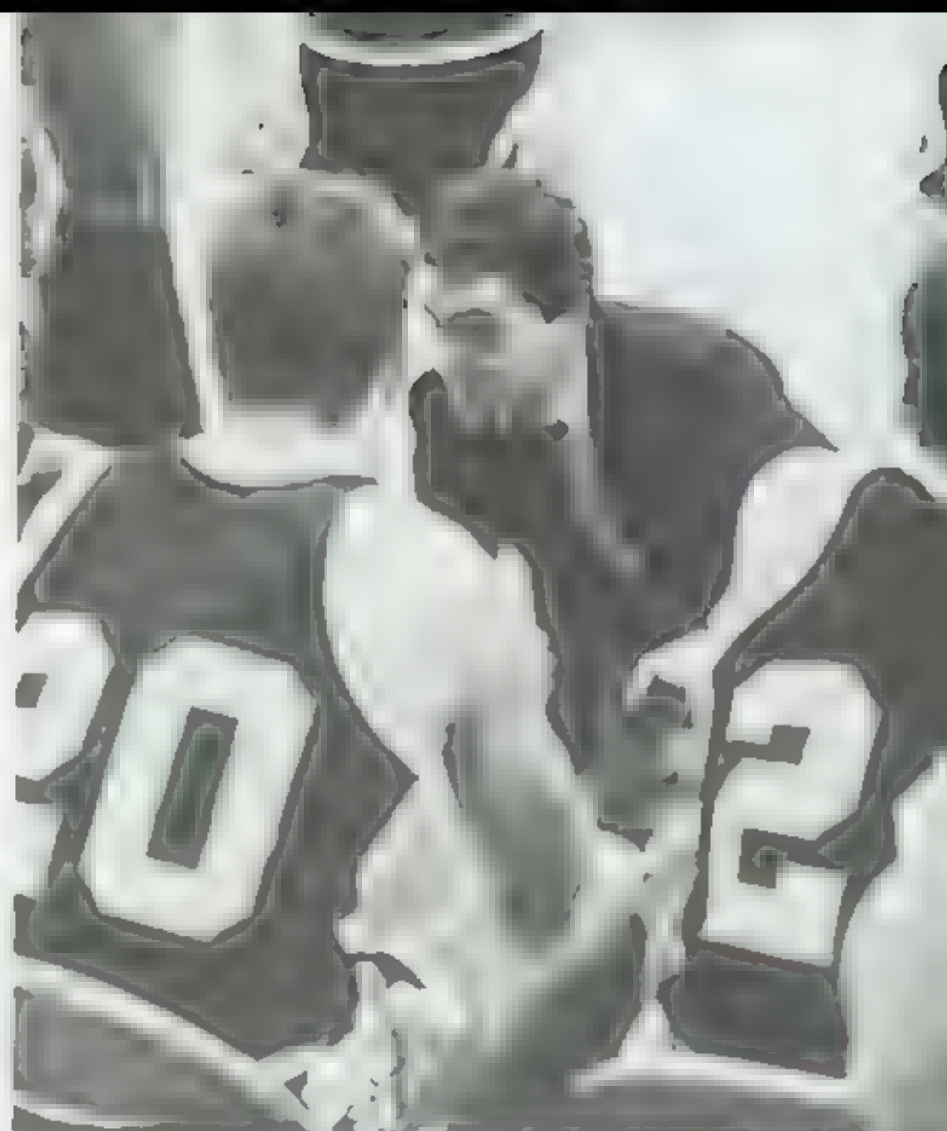

Basketball Team Gets An "A" For Effort

This year's Basketball Team began the season looking like they were definitely in the rebuilding year they were supposed to have. A young team with only three seniors on the roster, the Warriors showed signs of inexperience throughout the early non-league and league seasons. A loss to Bishop Borgess in the final league game clinched the fact that, for the first time in many years, the Brother Rice Basketball Team would not be in the Catholic League Championship Playoffs.

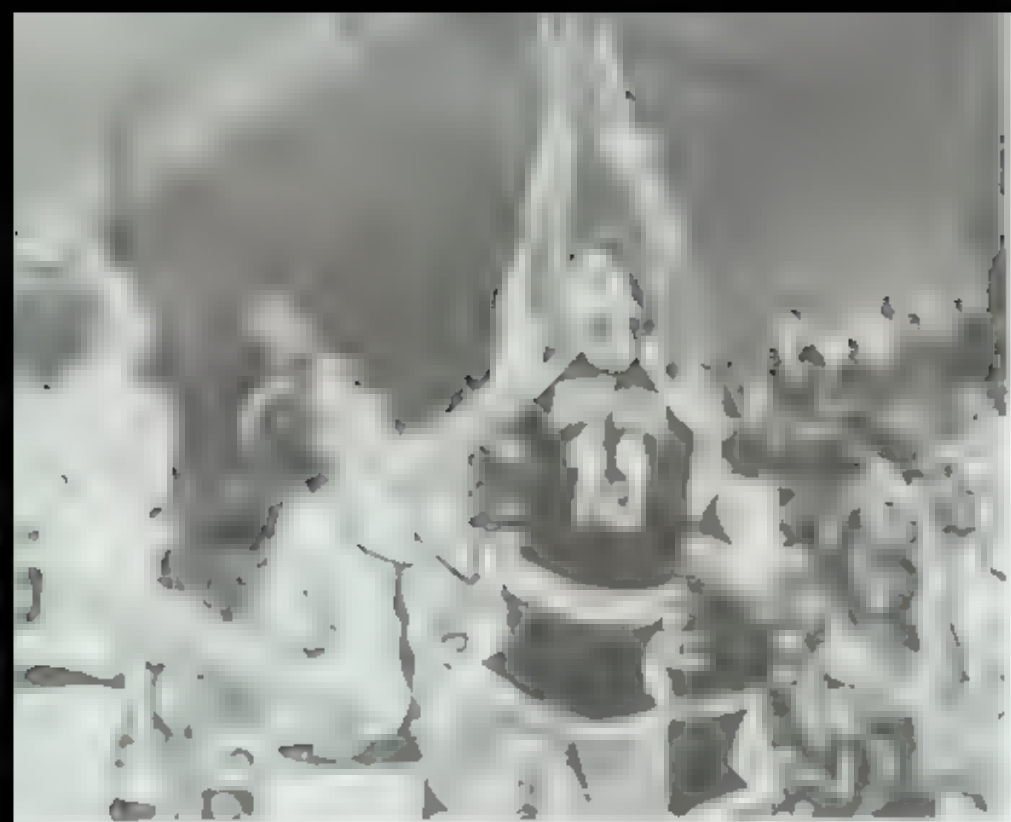

But the young Warriors didn't shrivel up and die. They responded with five non-league wins in a row. These wins brought the team some much-needed confidence and momentum heading into the State Tournament. In it, the 1986 Warriors persevered in their quest for excellence, going all the way to the District finals.

J.V. Shows Visible Signs Of Future Talent

This year's Junior Varsity Basketball Team ended a season of hard work and determination, to finish with a respectable record of nine wins and six losses.

The team seemed bound for greatness, winning its first two games, but then ran into some stiff competition in Toledo and Flint, losing both games but learning some valuable lessons. The team ended its first ten games with five wins and five losses. Coach Daniels and Coach Jamieson brought the team together to win four of its last five games.

Both Matt Mclean and Malcom Burton proved effective at scoring and Jason Wolf led a strong defense. A strong bench proved valuable down the stretch for the Warriors also.

All in all, a bright future lies ahead for the Brother Rice Basketball Team of tomorrow.

Freshman Rule Division

The Freshman Basketball season was one of the most successful in the history of Brother Rice with a 10-0 division record and a 14-2 overall finish.

Leading scorers this year were Dave Washington and Scott Micus, who were moved up to Varsity later in the year. Coaches Steve Stratten and Marc Gillis said that the highlight of the season was defeating archrivals Catholic Central and De La Salle twice in one season.

The Freshmen Warriors wrapped up the season winning an exciting overtime game against Bishop Borgess at home. The Warriors look forward with great enthusiasm to next season.

LaCrosse Team Exceeds Expectations

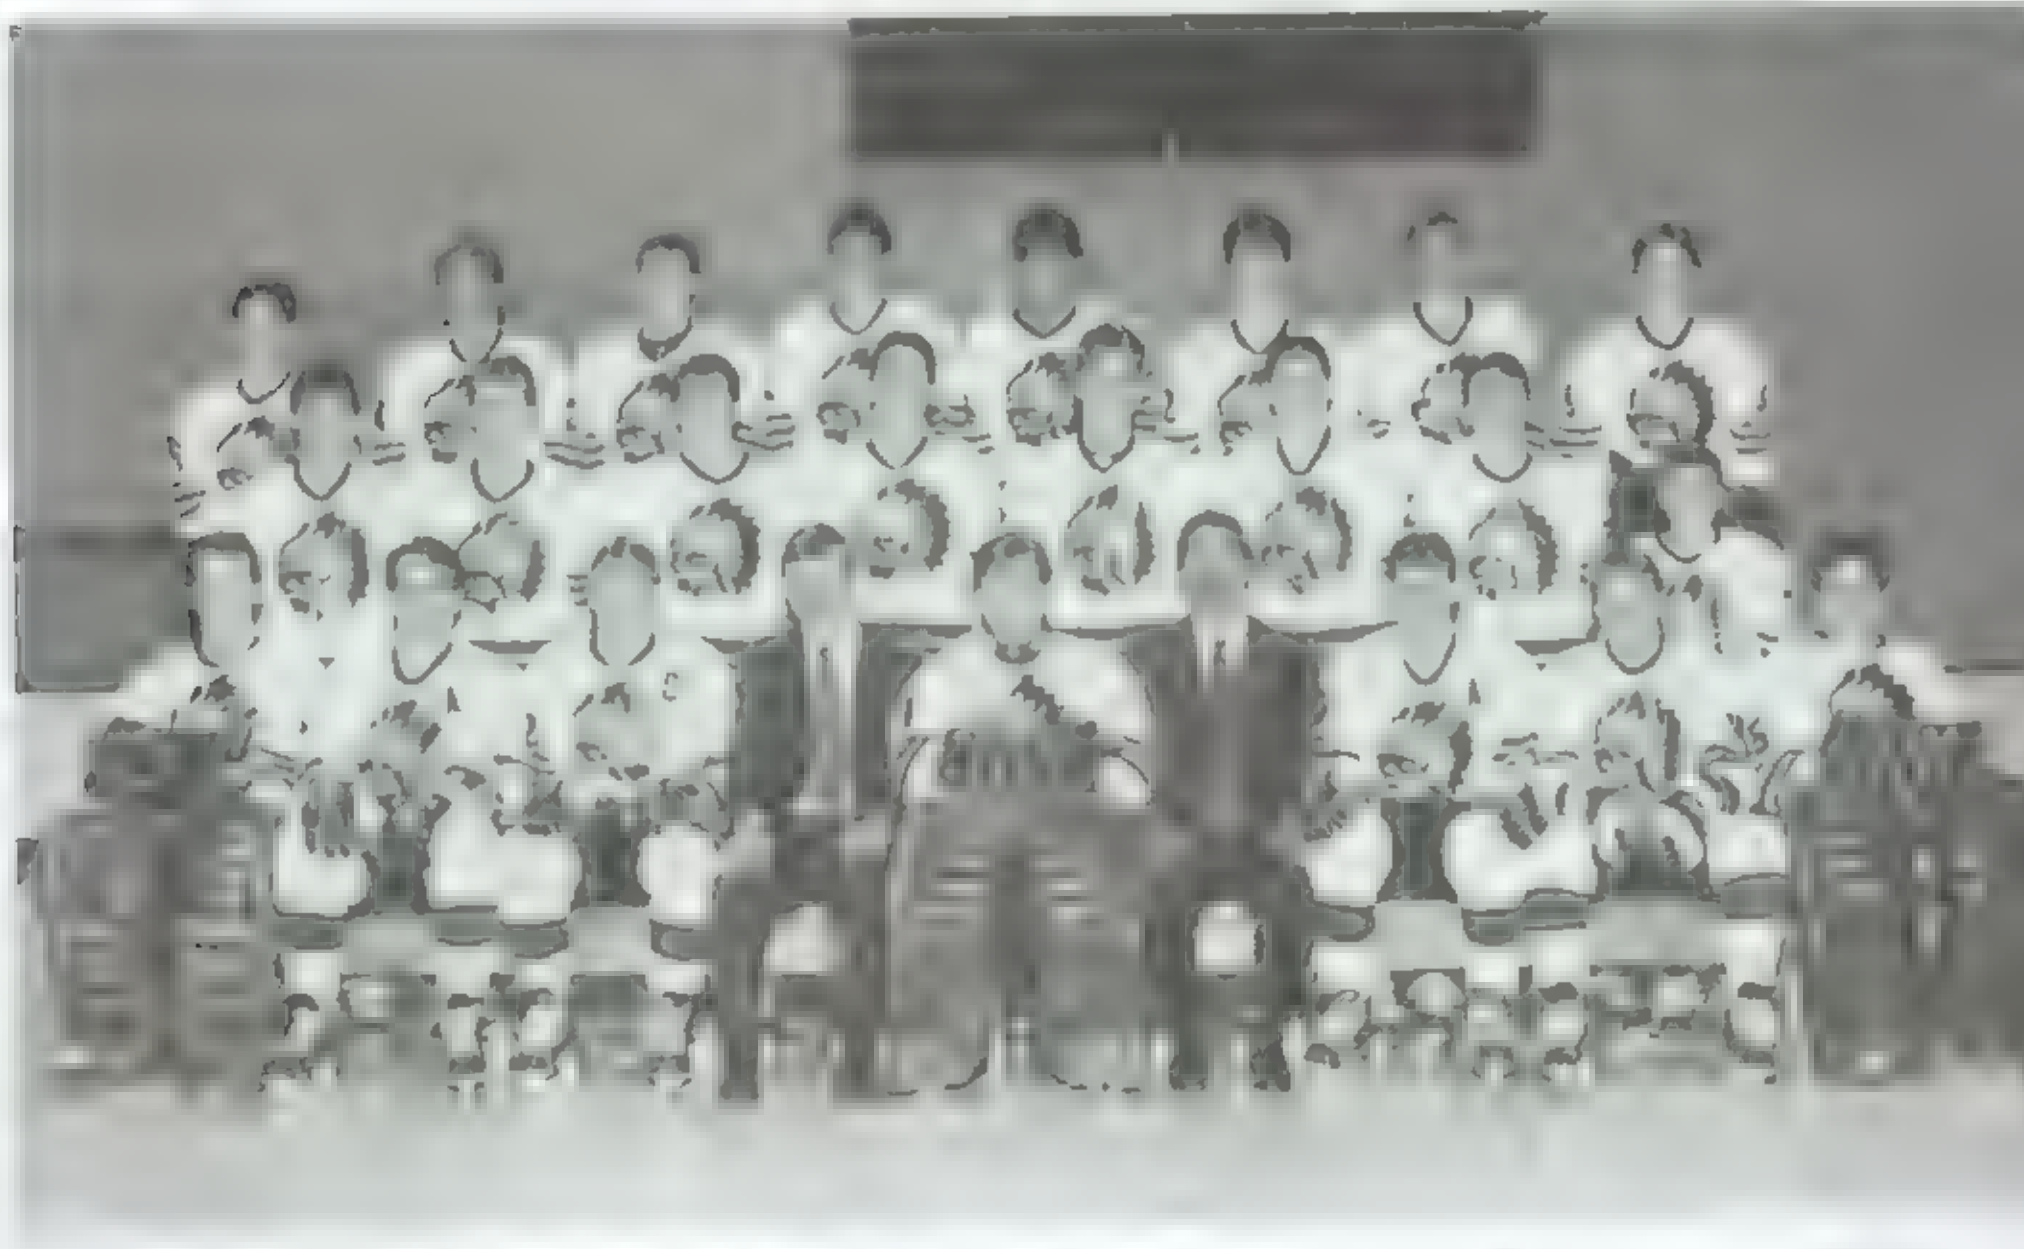

The 1985 Lacrosse Team enjoyed a 12-4 record. The Highlight of the season came in the Midwest Tournament when the team beat its archrivals, Catholic Central and Cranbrook, to clinch the Midwest Championship. In winning the Midwest Title, the 1985 Warriors were the first team from Michigan to do so since 1978. Chris Plunkett, Don Meahan, Mike Moss, Dan Galvin, Paul Konkell, and Greg Krolkowski all made the All-Midwest team. Paul Konkell was voted All-American, representing the State of Michigan. The team was coached by newcomer Ron Hebert.

Pucksters Attempt To Ice Opponents

The Brother Rice Hockey Team, led by captains Mike Brown, Jeff Thewes and Dan Lengyel, had another exciting season. Though the team was down most of the season, they never gave up, showing the heart of all Rice athletes. The nucleus of the team consisted of Gretzky-like players, including Matt Oliver, Todd Bekolay, Matt Young, Rich Bishop, and Jeff Sleboda. Greg (Rambo) Goodale led the powerful Rice hitting, which struck terror into the hearts of opponents. There will be many returning players next year, indicating potential for another great season.

1985 Rouserettes Arouse Rice Spirit

This year, the editors decided to give special consideration to the girls who add extra space to our football halftime shows. Dubbed the "Birmingham Rockettes" by Br. King, the rouserettes performed at each and every football game, plus other functions. There were several ups and downs to this year, but the season was overall, exciting, with a definite high point being their performance before a screaming Br. Rice student body on Spirit Day. The captains this year were: Dancing, Sue Levarsky and Cathy Freehan, and Flags, Shannon Stacey and Caroline Maicki. Special thanks are given to Br. Joseph King, Br. Roger Hasset, Mrs. Donna Frendo, and Mr. John Reinhardt.

1985 Baseball

1985 Varsity Baseball

The 1985 Brother Rice Baseball team, one of the finest in the past several years, finished with an impressive overall record of 28-8, with five of those losses coming at the hands of eventual State Champions, Bishop Gallagher. The Warriors were led offensively and defensively by senior captains, Doug Kaiser and Bob Riker, and junior, Joe Arends. The strong pitching of Riker, Chris Sullivan and Gary Zwolinski, along with the timely power hitting of junior John Timko, combined to lead Rice to a commendable second place finish in the Regional Tournament. The year was highlighted by an early season victory over Gallagher and capped off by Kaiser's record-setting two home runs in a losing effort at Tiger Stadium. The Warriors, behind the dedication of head coach, Ron Kalczynski, and assistant coach, Dave Kozlowski, showed tremendous improvement over the season, and, with returning starters such as Timko, Sullivan, Arends, and sophomore, Tom Giroux, look forward to much more success in the future.

"Rasslers" Pin To Win

The 1986 Warrior Wrestling Team continued in its tradition of excellence this season. Co-Captains Kurt Kazyak, Dominic Macreno, and Gunnar Dudlar led the team to a spectacular team record. To add to the team's accomplishments, both Macreno and Kazyak received the honor of competing in the state finals. They, along with Chris McDaniel, Paul DeBrincat, Mike O'Connor, and freshman Dean Moscovic, set the standard for the Warriors throughout the year. Inspired by the fine coaching of John Major, Gary Cornell, Bob Fallon, and Steve Wilfong, the team was bound for success and looks to the future for even higher goals.

Tracksters Cruise For Excellence

The 1985 track team was an outstanding one. The team compiled a 7-0 dual meet record (the best in school history), while winning the Catholic League Central Division. The Warriors were champions of the Port Huron, Brother Rice, and Ambrose Relays. They also were close runners-up in the Lahser Relays and the State Regional meet. The team was led by quad-captains Tom Ewald, Dan Forberg, Vince Baylerian, and Paul Loving. Other top performers on the team were seniors Brian Brannigan and Mike Farr, Juniors David Plunkett and Tom Allen, and Sophomore Sean McMannon

In Memory Of Robert Michalik, Class Of 1984

The untimely death of Robert Michalik, son of Robert and Kathryn Michalik, has deprived us of the friendship and company of a fine young man.

I remember Robert as a freshman at Rice in 1980. He had come from St. Paul's in Grosse Pointe and was a quiet, affable, and responsive student and I enjoyed the time I spent working with him and getting to know his family.

His death is a loss to his friends at Brother Rice. We share in the grief of his family and their cherished memories of Robert.

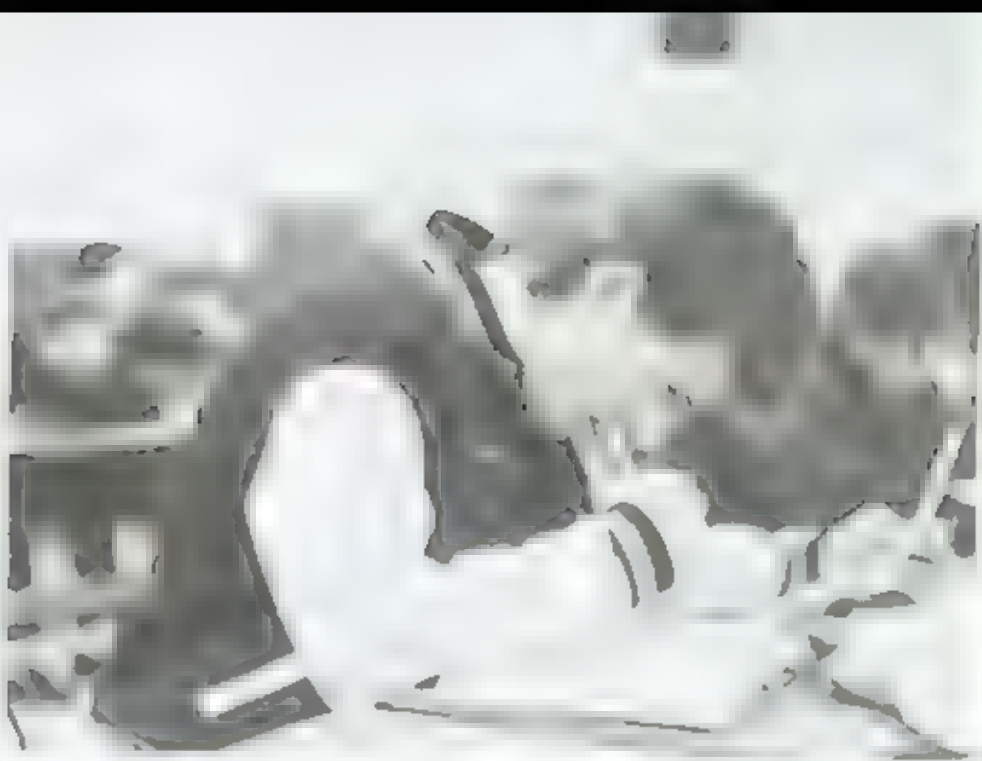

Marcel Gagnon

What has Brother Rice meant to me? That's an extremely tough one to put into words. When I first came to Rice four years ago, I thought it was going to be just like any other high school, only without girls. My attitude didn't change much for a couple of years. But, in my junior year, I began to see how different Brother Rice really is. One can cite many reasons why it is so different, but I think it all boils down to one thing, people at Brother Rice care. This includes faculty, students, and any others associated with the school. They care about every aspect of your life: spiritual, academic, athletic, and social. When I first heard Bro. Grimaldi talk about the Community of Faith, I thought it was just a trite expression. I've learned that this expression is far from trite, it is what makes Brother Rice a special experience I will carry with me throughout life.

David Plunkett

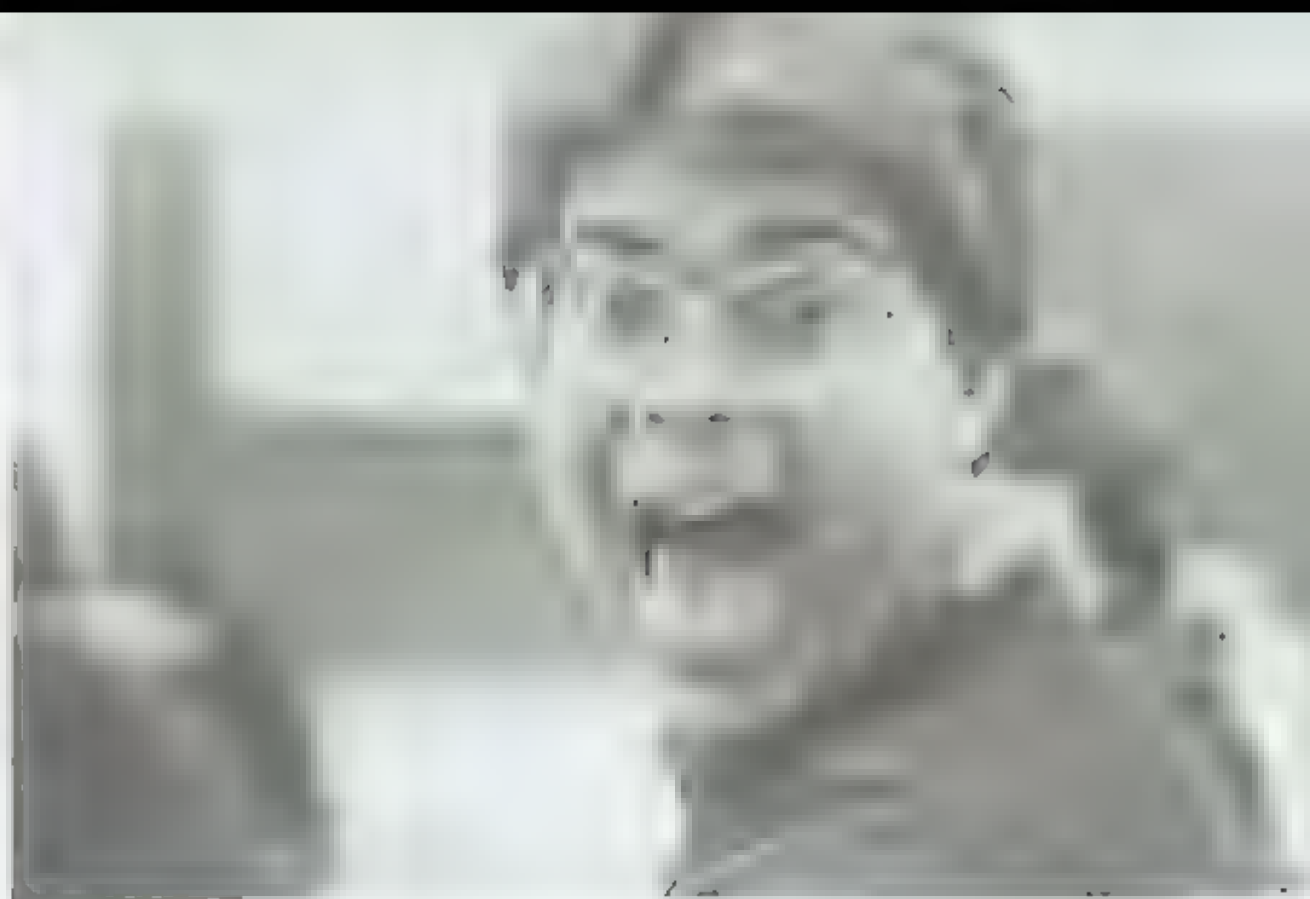

When I hear the words, "Community of Faith," I immediately think of Brother Grimaldi speaking to a group of scared freshmen in the gym. Now a senior, I look back upon that day like it was yesterday. It is said, "Time flies when you're having fun," and that couldn't be more true in this case. I have matured greatly in the last four years, and this "Community" deserves much of the credit. I wouldn't trade the knowledge and experience I have gained at Brother Rice for anything in the world. I can only hope that all underclassmen will gain as much from the Brother Rice community as I have

Tom Zidar
Senior Class Vice-President

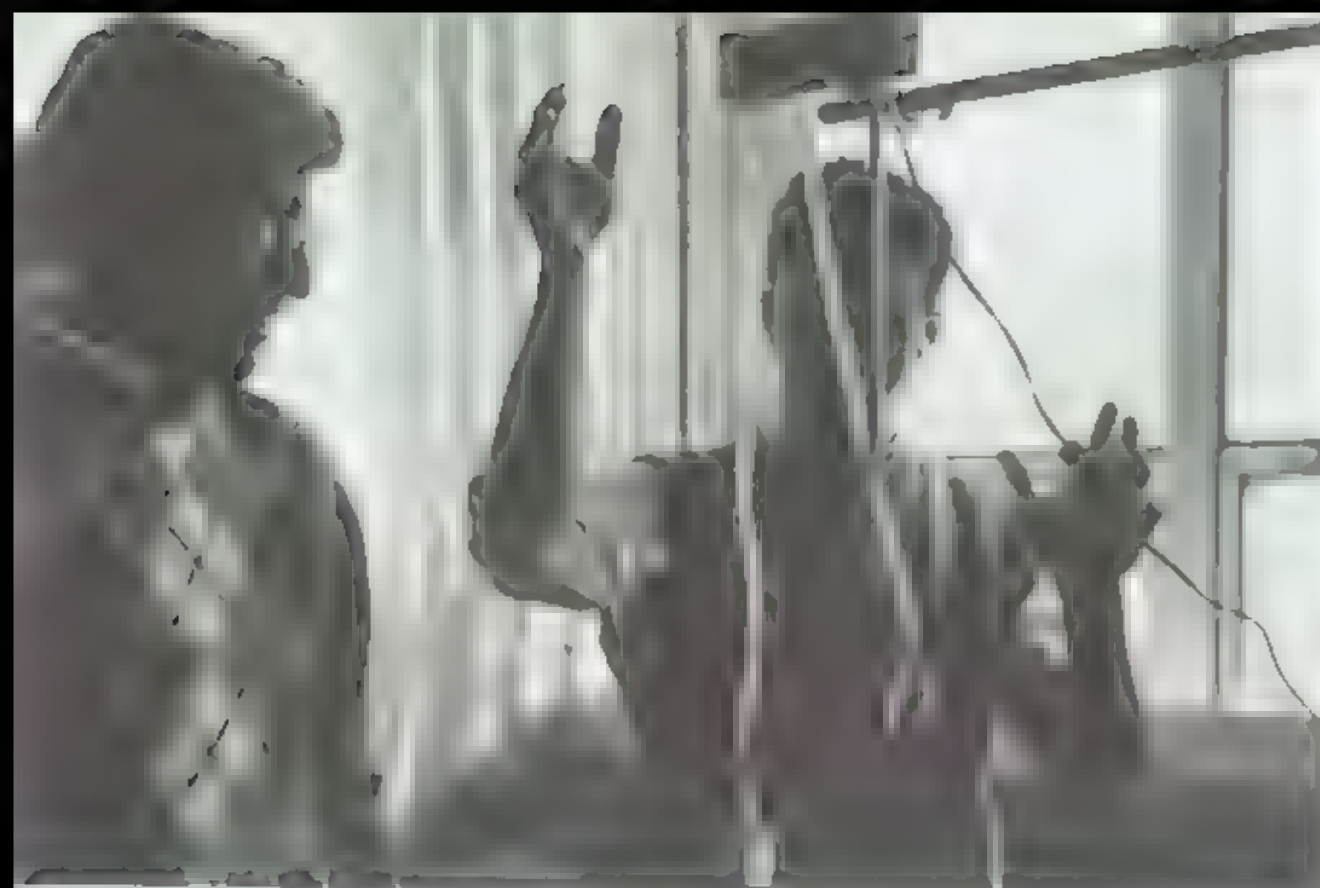

During my four years at Brother Rice, the one aspect that has impressed me the most is the sense of belonging that is present all around the school. From the initial day we walked in as freshmen, we were made to feel a part of the school by everyone, from the faculty through the student body, and, looking back, I think our class has done its share in welcoming each successive class to Brother Rice. My experiences here are something I will never forget. I will always be proud to say that I was a part of Brother Rice for four years.

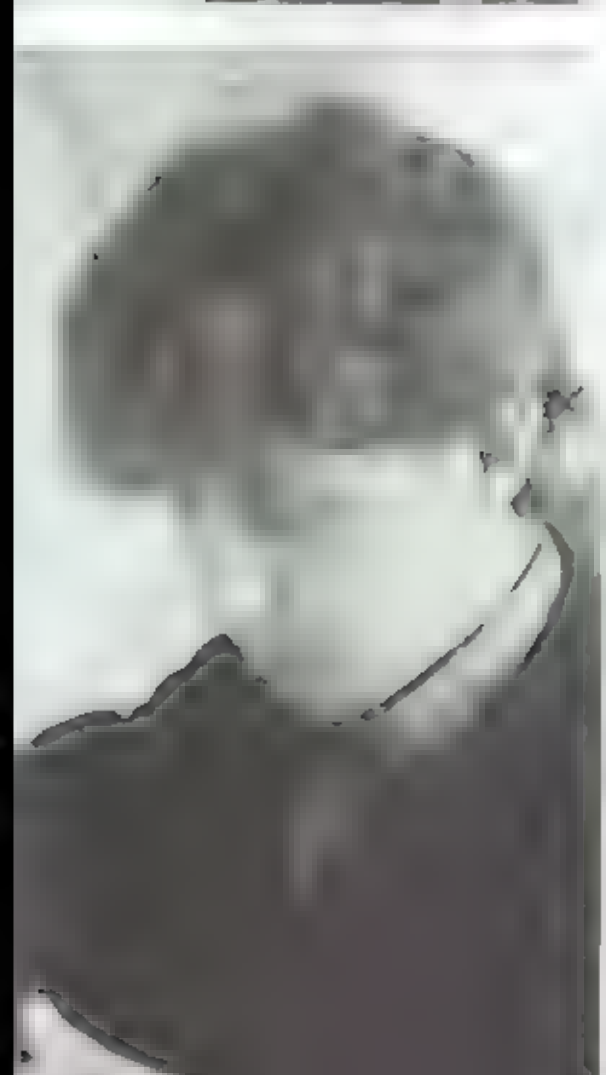

Chris Sullivan

If you were to ask someone who never attended Brother Rice what it meant to him, he might mention successful sports teams or a good education, or that it is a Catholic all boys school. But, to those of us who have attended Brother Rice, it is much more than that. Brother Rice is not just a building or a school. Brother Rice is made up of the people who go there and the spirit that we share. In the years after we graduate, we'll look back over our years and we probably won't think of classes that we took or grades that we received. No more likely we will think of the great times we had with all our friends. That's what Brother Rice means to me. Not four years of high school, but a lifetime of memories and good friends.

Mike Frizzell

We Are The Class Of '86

After being at Brother Rice for two and a half years, I have learned many things. I am glad that I chose to come to this school because it has been beneficial to me in many ways. I think this school has prepared me for college better than any other school. Brother Rice also had a good reputation in general. The teachers at this school care about their students and make a tremendous effort to help their students to learn more. I think this school has made me to be what I am and I am glad to have been here.

Jit Sivalogan

My four years at Brother Rice have been the most enriching and worthwhile times of my life. The things that I have learned and the people that I have met have formed a lasting impression on my personal character.

Through the years, my teachers have given me a great insight into the many branches of knowledge. Besides academics, Brother Rice has served as a community of Christian Faith from which I have truly gained a great love for God and the Church. Hopefully, these disciplines will serve as strong foundations for my future endeavors. I hope that my college years will be just as worthwhile as my four years at Brother Rice. "Sanctitas per Scientiam" will always hold true in my heart, for holiness through learning is the ideal path toward unity with God.

A black and white photograph of a large group of people, mostly men, gathered indoors. Some are seated at tables in the foreground, while others stand in rows behind them. The setting appears to be a formal or semi-formal event, possibly a banquet or a group portrait. The image is somewhat blurry and has a high-contrast, grainy quality.
